MK2 T2 Aimpoint Mounts Safety Instruction Guide

Introduction

Thank you for choosing the MK2 T2 Aimpoint Mount from Midwest Industries, Inc. This safety instruction guide provides essential information to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Regularly inspect the mount for any signs of wear, damage, or malfunction before use.
- Keep the mount out of reach of children and vulnerable individuals to prevent accidents.
- If you notice any defects or issues, cease use immediately and consult a professional.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure that the mount is securely attached to your firearm before use.
- Verify that the optic is properly seated and tightened to the mount to prevent any movement during operation.
- Avoid using the mount in extreme conditions (e.g., high heat, extreme cold, or high humidity) that may affect its performance.
- Do not exceed the weight limits specified for the optic being used with the mount.
- Use caution when adjusting the optic to avoid injury from sharp components or tools.

Instructions for Installation and Usage

1. Installation of the MK2 T2 Aimpoint Mount:

- Gather all necessary tools, including the Midwest Industries Optic Mount Tool.
- Ensure the firearm is unloaded and safe to handle.
- Align the mount with the designated mounting points on the firearm.
- Use the Torx hardware provided to secure the mount in place. Tighten the screws evenly to ensure a secure fit.
- Check that the mount is level and properly positioned before proceeding.

2. Mounting the Optic:

- Carefully place the optic onto the mount.
- Use the provided opticspecific replacement scope ring caps if necessary.
- Tighten the mounting screws using the appropriate tool to ensure the optic is securely attached.
- Perform a returntozero check to confirm the optic is properly aligned.

3. Adjusting the Optic:

- Use the Midwest Industries Optic Mount Tool to make any necessary adjustments.
- Ensure adjustments are made incrementally and check alignment after each adjustment.

4. PostInstallation Check:

- After installation, doublecheck all screws and components for tightness and security.
- Test the setup at a safe location to ensure proper functionality.

Disposal Instructions

- Do not dispose of the mount in regular household waste.
- Follow local regulations for the disposal of metal and electronic components.
- Consider recycling options where available to reduce environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the MK2 T2 Aimpoint Mount, please refer to the manufacturer's website or contact their support team for assistance.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the MK2 T2 Aimpoint Mount!
