MK2 T2 Aimpoint Mounts Safety Instruction Guide

Introduction

Thank you for choosing the MK2 T2 Aimpoint Mount from Midwest Industries, Inc. This guide provides essential safety instructions and guidelines to ensure the safe use of your mounting hardware. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used for its intended purpose only.
- Always inspect the mount for any visible damage or wear before use.
- Do not exceed the recommended weight limit for the mount.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use may lead to equipment failure or injury.
- **Avoiding Hazards:**
 - Always use the provided Torx hardware for secure assembly.
 - Ensure that all screws are tightened to the manufacturer's specifications.
 - Regularly check the mount for signs of wear or loosening during use.
- **Age-Specific Warnings:** This product is not intended for use by children. Adult supervision is recommended when used in environments where children may be present.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the Midwest Industries Optic Mount Tool.
- Ensure your workspace is clean and free of distractions.

2. Installation:

- Remove any existing mounts or accessories from the firearm.
- Align the MK2 T2 Aimpoint Mount with the mounting points on your firearm.
- Use the provided Torx hardware to secure the mount. Ensure all screws are tightened properly.
- Install the optic onto the mount, ensuring it is positioned correctly for optimal sight alignment.

3. Usage:

- After installation, check the mount and optic for stability.
- Adjust the optic as needed using the Midwest Industries Optic Mount Tool.
- Test the setup at a safe shooting range to ensure proper functionality and reliability.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's website or contact the appropriate local authorities.
