MK2 T2 Aimpoint Mounts Safety Instruction Guide

Introduction

Thank you for choosing the MK2 T2 Aimpoint Mount from Midwest Industries, Inc. This product is engineered for precision and built to last, ensuring reliability and style for your shooting needs. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the mount for any visible damage before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Use the provided Midwest Industries Optic Mount Tool for adjustments.
 - Ensure that all clamps and screws are securely tightened before use.
- **Operational Safety:**
 - Verify that the optic is properly mounted and secured before using the firearm.
 - Avoid using the mount if it shows signs of wear or damage.
- **Environmental Safety:**
 - Do not expose the product to extreme temperatures or harsh chemicals.
 - Store the mount in a dry place to prevent corrosion.
- **User Responsibility:**
 - Always treat firearms as if they are loaded.
 - Follow all safety protocols when handling firearms.

Instructions for Installation and Usage

1. Unboxing:

- Carefully remove the MK2 T2 Aimpoint Mount from its packaging.
- Ensure all components are included: mount, Torx hardware, and adjustment tool.

2. Installation:

- Place the mount on the desired rail of your firearm.
- Align the mount to the appropriate position for your sight.
- Use the Torx hardware provided to secure the mount in place.
- Tighten the screws using the Midwest Industries Optic Mount Tool until they are snug.
- Check that the mount is secure and does not move when pressure is applied.

3. Adjustment:

- If necessary, adjust the optic for your shooting preference.
- Ensure that adjustments do not compromise the mount's stability.

4. Usage:

- Once installed, use the firearm according to the manufacturer's guidelines.
- Regularly check the mount for signs of loosening or damage after use.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal and aluminum parts where available.
