Safety Instruction Guide for TRIMMER PLATFORM HOLDS 9CASES

Introduction

Thank you for choosing the L.E. WILSON, INC. TRIMMER PLATFORM HOLDS 9CASES. This product is designed to enhance your reloading efficiency while ensuring safety during use. Please read this safety instruction guide carefully to understand the necessary precautions and proper usage of the platform.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Always inspect the platform for any damage or wear before use. Do not use if damaged.
- Keep the platform out of reach of children and vulnerable individuals.
- Use the product in a wellventilated area to avoid inhalation of any dust or particles.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Secure Mounting:** Always ensure that the platform is securely mounted using rubber feet or cclamps to prevent slipping during use.
- **Case Handling:** Use the integrated tapping block to safely remove cases from the holder. Avoid using excessive force that may cause injury.
- **Personal Protective Equipment (PPE):** Wear appropriate PPE, such as safety glasses and gloves, to protect against debris and sharp edges.
- **Storage:** Store the platform in a dry place away from direct sunlight and moisture to maintain its integrity.
- **Avoid Overloading:** Do not exceed the recommended capacity of nine (9) case holders to ensure stability and safety.

Instructions for Installation and Usage

1. Installation:

- Place the platform on a stable, flat surface.
- Ensure that the rubber feet are properly positioned to provide stability.
- If additional security is needed, use cclamps to attach the platform to your workbench.

2. Using the Platform:

- Load up to nine (9) case holders into the designated storage spaces.
- To remove a case, gently tap the tapping block while holding the case holder in place.
- Always ensure your hands are clear from the tapping area to avoid injury.

3. PostUsage:

- After use, clean the platform with a damp cloth to remove any dust or debris.
- Store the platform in a safe location when not in use.

Disposal Instructions

- Dispose of the platform in accordance with local regulations for plastic waste.
- If the product is damaged beyond repair, ensure that it is disposed of in a manner that prevents any

potential hazards to the environment or public safety.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's customer support resources. Ensure that you have the product details and any relevant information ready when seeking assistance.

By following these guidelines, you can ensure safe and effective use of the L.E. WILSON, INC. TRIMMER PLATFORM HOLDS 9CASES. Thank you for your attention to safety.
