# Safety Instruction Guide for Remington Trigger Block

## Introduction

Thank you for choosing the Remington Trigger Block for your firearm storage needs. This product is designed to enhance the safety and security of your firearms by preventing unauthorized access to the trigger. Please read this safety instruction guide carefully to ensure proper use and to maximize the safety of your firearms.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or removing the trigger block.
- Store the trigger block in a secure location, out of reach of children and unauthorized users.
- Regularly check the condition of the trigger block to ensure it remains functional.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is not intended for use by individuals under the age of 18. Ensure that only responsible adults handle the trigger block.
- **Vulnerable Groups:** Extra care should be taken to ensure that children and other vulnerable individuals do not have access to firearms or firearm accessories.
- **Potential Hazards:**
  - Improper installation may lead to accidental discharge of the firearm.
  - Failure to use the trigger block may result in unauthorized access to the firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is completely unloaded.
- Open the trigger block by using one of the provided keys.
- Place the trigger block around the trigger of your firearm, ensuring it is securely fitted.
- Close the trigger block and ensure it locks into place.

### 2. Usage:

- Always check that the trigger block is properly engaged before storing or transporting your firearm.
- To remove the trigger block, use one of the provided keys to unlock it.
- Store the keys in a secure location, separate from the firearm.

## Disposal Instructions

- Dispose of the trigger block in accordance with local regulations for metal products.
- Do not dispose of the product in regular household waste. Check for local recycling programs that accept metal items.
