Remington Trigger Block Safety Instructions

Introduction

Thank you for choosing the Remington Trigger Block for your firearm safety needs. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your Remington Trigger Block. Please read all instructions carefully before installation and use.

General Safety Guidelines

- Ensure that the Remington Trigger Block is used only as intended, to prevent unauthorized access to the trigger of firearms.
- Always store firearms in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the Trigger Block for any signs of wear or damage. If damaged, discontinue use immediately.
- Keep the Trigger Block and keys in a secure location to prevent unauthorized access.
- Familiarize yourself with the specific firearm models that the Trigger Block is compatible with, ensuring a proper fit.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or removing the Trigger Block.
- Do not attempt to use the Trigger Block if it is not functioning correctly. Contact a qualified professional for assistance.
- Keep the Trigger Block keys away from children and unauthorized individuals.
- Do not modify or alter the Trigger Block in any way, as this may compromise its effectiveness.
- Avoid exposing the Trigger Block to extreme temperatures or moisture, which may affect its performance.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the trigger area of your firearm.
- Insert the Trigger Block into the trigger guard, ensuring it fits snugly.
- Use the included keys to lock the Trigger Block in place.

2. Usage

- Once installed, the Trigger Block will prevent access to the firearm's trigger.
- To remove the Trigger Block, use the included keys to unlock it.
- Always verify that the Trigger Block is properly installed before storing your firearm.

Disposal Instructions

- When the Trigger Block reaches the end of its life or is no longer needed, dispose of it in accordance with local regulations.
- Do not throw the Trigger Block in regular household waste. Instead, consider recycling options where available.
