

AP4 MIL-SPEC COLLAPSIBLE CARBINE STOCK FOR AR-15 - REMINGTON AP4 MIL-SPEC COLLAPSIBLE CARBINE STOCK FOR AR-15 BLACK

REMINGTON AP4 MIL-SPEC COLLAPSIBLE CARBINE STOCK FOR AR-15 The AP4 Mil-Spec Collapsible Carbine Stock (Black) is a proven, battle-tested design engineered for AR-15 carbines that demand reliability and simplicity. Built from high-strength, impact-resistant polymer, this stock delivers a solid shoulder weld, smooth adjustment, and dependable performance in harsh conditions. Its mil-spec diameter ensures perfect fitment on standard carbine receiver extensions, making it an ideal replacement for worn OEM stocks or a dependable choice for new builds. With its streamlined M4 profile, reinforced adjustment latch, and textured buttplate, the AP4 stock provides excellent control during rapid fire while keeping weight to a minimum. Whether you're assembling a duty rifle, range carbine, or lightweight defensive build, this stock offers the durability and ergonomics shooters trust.

FEATURES

Mil-Spec Diameter Fitment — Compatible with all standard AR-15 mil-spec carbine buffer tubes for secure, wobble-free installation.

AP4/M4-Style Design — Classic, proven profile used on countless carbines for dependable handling and familiar ergonomics.

High-Strength Polymer Construction — Impact-resistant, lightweight, and built to withstand hard use in field, duty, or training environments.

Six-Position Adjustability — Quick, positive length-of-pull changes for shooters of all sizes and gear setups.

Textured Buttplate — Provides a stable, non-slip shoulder weld for improved recoil control and faster follow-up shots.

Reinforced Adjustment Latch — Durable steel hardware ensures reliable lock-up and long service life.

Black Matte Finish — Low-glare, tactical appearance that complements any AR-15 build.

Drop-In Installation — Installs in minutes on any mil-spec carbine receiver extension—no gunsmithing required.

Ideal for New Builds or Upgrades — Perfect replacement for OEM stocks or for completing a lightweight, duty-ready AR-15.

NOTE: These items are a new, authentic products acquired directly from Remington's OEM inventory. This item is guaranteed to be unused and fully functional.

Safety Instruction Guide for AP4 MILSPEC COLLAPSIBLE CARBINE STOCK FOR AR15

Introduction

Thank you for purchasing the AP4 MilSpec Collapsible Carbine Stock for AR15. This product is designed for reliable and safe use in various environments. Please read this safety instruction guide carefully to ensure proper installation, usage, and maintenance of the product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the stock.
- Inspect the stock for any visible damage before use. Do not use if damaged.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Use the stock only with compatible AR15 milspec carbine buffer tubes.
- Ensure that you are familiar with the operation of your AR15 before using this stock.

Specific Safety Precautions for Use

- **Avoid Excessive Force:** When adjusting the stock, do not use excessive force that may damage the adjustment mechanism.
- **Check Fitment:** Ensure the stock is securely fitted to the buffer tube before use to prevent it from becoming loose during operation.
- **Maintain Control:** Always maintain a firm grip on the firearm while using the stock, especially during rapid fire.
- **Regular Maintenance:** Periodically check the stock for wear and tear, especially the adjustment latch and buttplate.
- **Environmental Conditions:** Be cautious when using the stock in extreme weather conditions, such as heavy rain or snow, which may affect performance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Align the AP4 stock with the milspec carbine buffer tube.
- Slide the stock onto the buffer tube until it is fully seated.
- Confirm that the stock is securely attached and does not wobble.

2. Adjustment:

- To adjust the length of pull, press the reinforced adjustment latch.
- Slide the stock to the desired position.
- Release the latch to lock the stock in place.
- Ensure that the stock is securely locked before use.

3. Usage:

- Position the stock against your shoulder for stability.
- Maintain a proper stance and grip on the firearm.
- Use the textured buttplate for improved recoil control.
- Practice safe shooting techniques and be aware of your surroundings.

Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding plastic waste.
- If the stock is damaged beyond use, consider recycling the material where possible.
- Do not burn the stock as it may release harmful substances.

Contact Information for Further Support
