REMINGTON SIMS RECOIL PAD FOR REMINGTON 870/1100/11-87 WOOD STOCK The Remington SIMS Recoil Pad for Remington 870, 1100, and 11-87 wood stock shotguns is a precision-fit upgrade designed to significantly reduce felt recoil while improving overall shooting comfort. Engineered for classic Remington shotgun platforms, this black recoil pad enhances control and stability without altering the traditional look of your firearm. It is specifically molded to match factory wood stock dimensions, providing a clean, professional fit for hunters and sport shooters alike. Constructed from advanced recoil-absorbing rubber, this pad helps minimize shoulder impact and muzzle rise, allowing for quicker follow-up shots and reduced fatigue during extended shooting sessions. The non-slip surface maintains a secure shoulder mount in various weather conditions, making it ideal for field, range, and competition use. Its durable design resists cracking, hardening, and wear over time. Whether replacing a worn factory pad or upgrading from a hard buttplate, the Remington SIMS Recoil Pad delivers improved comfort and performance while maintaining compatibility with popular Remington semi-auto and pump shotgun models equipped with wood stocks. FEATURES Precision-fit for Remington wood stocks Reduces felt recoil Helps minimize muzzle rise Improves shooting comfort Durable rubber construction Matte black finish Non-slip textured surface Maintains proper shoulder grip Ideal for hunting and sport shooting Direct replacement design SPECS Compatibility: Remington 870, 1100, 11-87 (wood stocks only) Gauge: 12 Gauge models (verify specific fit) Material: Recoil-absorbing rubber Color: Black Finish: Matte Mount Type: Buttstock recoil pad Application: Shotgun Installation: Screw-on replacement Condition: New Stock Type: Wood only NOTE: These items are a new, authentic products acquired directly from Remington’s OEM inventory. This item is guaranteed to be unused and fully functional.

SIMS Recoil Pad for Remington 870/1100/1187 Wood Stock Safety Instructions

Introduction

Thank you for choosing the SIMS Recoil Pad for your Remington 870, 1100, or 1187 wood stock shotgun. This product is designed to enhance your shooting experience by reducing felt recoil and improving comfort. Please read this safety instruction guide carefully to ensure safe and effective use of the recoil pad.

General Safety Guidelines

- Ensure safe use of the recoil pad by following these guidelines:
  - Always handle firearms with care and respect, treating every gun as if it is loaded.
  - Use this product only on compatible Remington shotguns (870, 1100, 1187 with wood stocks).
  - Regularly inspect the recoil pad for signs of wear or damage before each use.
  - Store the shotgun in a secure location, away from children and unauthorized users.
  - Follow all local laws and regulations regarding the use and storage of firearms.

Specific Safety Precautions for Use

- To avoid potential hazards while using the recoil pad:
  - Ensure the shotgun is unloaded before installing or adjusting the recoil pad.
  - Do not use the recoil pad if it shows signs of cracking, hardening, or excessive wear.
  - Maintain a proper grip on the shotgun while shooting to prevent slipping.
  - Be aware of your surroundings and ensure a safe shooting environment.
  - Use appropriate eye and ear protection while shooting.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the SIMS Recoil Pad:

1. **Preparation**:
   - Ensure the shotgun is completely unloaded.
   - Gather necessary tools (screwdriver, if required).
2. **Removal of Old Pad**:
   - If replacing an old recoil pad, carefully remove it by unscrewing any fasteners.
3. **Fitting the New Recoil Pad**:
   - Align the new SIMS Recoil Pad with the buttstock of the shotgun.
   - Ensure that the pad is positioned correctly according to the dimensions of the wood stock.
4. **Securing the Pad**:
   - Use the provided screws or fasteners to securely attach the recoil pad to the shotgun.
   - Ensure the pad is tightly fitted to prevent movement during use.
5. **Final Inspection**:
   - Check the installation for stability.

        - Ensure there are no gaps between the pad and the stock.

- **Usage**:
    - When ready to shoot, ensure the shotgun is in a stable position.
    - Maintain focus on your target and control your stance to maximize comfort and accuracy.
    - After shooting, inspect the recoil pad for any signs of damage or wear.

Disposal Instructions

- When disposing of the recoil pad:
    - Follow local regulations regarding the disposal of rubber products.
    - Do not dispose of the pad in a way that could pose a risk to the environment or wildlife.
    - Consider recycling options if available in your area.

Contact Information for Further Support

- For any inquiries regarding safety or product information, please refer to the official Remington website or contact their customer service directly.

By adhering to these safety instructions, you can enjoy a safer and more comfortable shooting experience with your Remington shotgun. Thank you for prioritizing safety in your shooting activities.
