

THREAD PROTECTOR 5/8X24 THREAD CERAKOTE BLACK GRAPHITE

- REMINGTON THREAD PROTECTOR 5/8X24 THREAD CERAKOTE BLACK GRAPHITE STEEL

REMINGTON THREAD PROTECTOR 5/8X24 THREAD CERAKOTE BLACK GRAPHITE The Remington 5/8x24 Thread Protector is engineered to keep your muzzle threads safe, aligned, and ready for repeatable device installation. Machined from high-strength steel and finished in Cerakote Graphite Black, it delivers exceptional resistance to abrasion, moisture, and carbon fouling. Whether your rifle is in transport, stored in a case, or carried through rugged terrain, this protector prevents dents, cross-threading, and debris intrusion that can compromise accuracy and muzzle device fitment. Its low-profile design blends seamlessly with most barrel contours, offering a clean, professional look while ensuring long-term thread protection.

FEATURES

- Steel Construction** — Hardened steel body resists impact, deformation, and long-term wear on critical muzzle threads.
- 5/8x24 Thread Pattern** — Fits standard .30-caliber and magnum-class barrels using the common 5/8x24 muzzle thread.
- Cerakote Graphite Black Finish** — Premium ceramic coating provides corrosion resistance, abrasion protection, and a matte tactical appearance.
- Protects Exposed Threads** — Shields threads from dents, cross-threading, and debris when no muzzle device is installed.
- Precision Machined Fit** — Ensures smooth engagement and proper alignment for repeatable installation of brakes, suppressors, and flash hiders.
- Low-Profile Design** — Clean, unobtrusive look that complements most barrel finishes and profiles.
- Tool-Free Installation** — Installs and removes easily by hand for quick transitions between muzzle devices.

THREAD PROTECTOR 5/8X24 THREAD CERAKOTE BLACK GRAPHITE Safety Instructions

Introduction

Thank you for choosing the Remington 5/8x24 Thread Protector. This product is designed to protect the muzzle threads of your firearm, ensuring safe and effective use. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the thread protector is compatible with your firearm's muzzle thread size (5/8x24).
- Always inspect the thread protector for any signs of damage or wear before use.
- Keep the thread protector out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid CrossThreading:** Ensure proper alignment during installation to prevent crossthreading, which can damage both the thread protector and the firearm.
- **Do Not Exceed Manufacturer's Specifications:** Only use the thread protector as intended by the manufacturer. Do not attempt to modify or alter the product.
- **Store Properly:** When not in use, store the thread protector in a safe, dry place to prevent damage and maintain its protective qualities.
- **Check for Debris:** Before installation, ensure that the muzzle threads are clean and free from debris to ensure a proper fit.

Instructions for Installation and Usage

1. **Preparation:** Ensure that your firearm is unloaded and pointed in a safe direction before handling.
2. **Clean the Muzzle Threads:** Use a clean cloth to wipe the muzzle threads of your firearm, removing any dirt or debris.
3. **Installation:**
 - Align the thread protector with the muzzle threads.
 - Handtighten the thread protector until it is snug. Avoid using tools that may apply excessive force.
4. **Removal:**
 - To remove the thread protector, handturn it counterclockwise until it is free from the muzzle threads.
5. **Check Fit:** After installation, check that the thread protector is securely attached and that there is no wobble or looseness.

Disposal Instructions

- Dispose of the thread protector in accordance with local regulations regarding metal recycling.
- If the thread protector is damaged or no longer usable, ensure it is disposed of in a manner that prevents any potential harm to the environment.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the Remington 5/8x24 Thread Protector, please refer to the official Remington website or contact your local distributor for assistance.

By following these guidelines, you can ensure the safe use and longevity of your Remington 5/8x24 Thread Protector, while also complying with the necessary safety regulations. Thank you for your attention to safety and responsible firearm handling.
