

MATCHKING-X 7MM (0.284") HOLLOW POINT BOAT TAIL RIFLE BULLETS - SIERRA BULLETS, INC. MATCHKING-X 7MM (0.284") 175GR HPBT 500/BOX

SIERRA BULLETS, INC. MATCHKING-X 7MM (0.284") HOLLOW POINT BOAT TAIL RIFLE BULLETS The Hollow Point Boat Tail MatchKing X (MKX) is a mirrored image of the renowned MatchKing, sharing the same ogive profile and external dimensions. This means you can switch between precision match shooting and hunting without making any seating die adjustments.

Engineered for reliable expansion at long range velocities, the MKX delivers match-grade accuracy in a true hunting bullet. With a high ballistic coefficient of 0.597 (G1), it mirrors the performance of its MatchKing counterpart in flight, while providing the terminal performance hunters demand. Whether you're ringing steel or taking game, the MKX proves you don't have to sacrifice precision for performance. SPECS Bullet Type: Hollow Point Boat Tail (HPBT) Purpose: Hunting Pursuit: Big Game, Target Bullet Material: Jacketed Lead

MATCHKINGX 7MM (0.284") HOLLOW POINT BOAT TAIL RIFLE BULLETS Safety Instruction Guide

Introduction

Thank you for choosing the SIERRA BULLETS, INC. MATCHKINGX 7MM (0.284") Hollow Point Boat Tail Rifle Bullets. This guide provides essential safety information to ensure the safe handling, usage, and disposal of this product. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure you are familiar with local laws and regulations regarding the use and storage of ammunition.
- Always treat all bullets as if they are live and capable of causing harm.
- Keep ammunition out of reach of children and unauthorized users.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Inspect bullets for any signs of damage before use. Do not use damaged bullets.
- Use appropriate safety gear, including eye and ear protection, when handling and shooting.
- Never mix different types of ammunition or components.
- Be aware of your surroundings and ensure a clear shooting area when using the bullets.

Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically designed for 7mm (0.284") ammunition.
- Ensure your firearm is in good working condition and has been properly maintained.
- Always follow the manufacturer's instructions for your specific firearm.
- Do not exceed recommended load specifications when reloading.
- Avoid using bullets in adverse weather conditions, such as high winds or rain, which may affect accuracy and safety.
- Do not attempt to modify the bullets or use them for any purpose other than intended.

Instructions for Installation and Usage

- Before loading the bullets, ensure your firearm is pointed in a safe direction and the safety is engaged.
- Load bullets into the magazine or chamber according to the manufacturer's instructions for your firearm.
- When ready to fire, disengage the safety and ensure your target is clearly visible.
- After firing, keep the firearm pointed in a safe direction until you are ready to unload.
- Follow proper unloading procedures as outlined in your firearm's manual.
- Clean your firearm regularly to maintain performance and safety.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash or recycling bins.
- Contact local authorities or waste management facilities for proper disposal methods.
- Ensure that all bullets are safely secured during transportation for disposal.

Contact Information for Further Support

For any safety inquiries or concerns, please contact the manufacturer or your local authority. Ensure that you have the product details available for reference.

By following these guidelines, you can ensure a safe and enjoyable experience with your MATCHKINGX 7MM (0.284") Hollow Point Boat Tail Rifle Bullets. Thank you for your attention to safety.
