Safety Instruction Guide for PROHUNTER 35 CALIBER (0.355") FLAT NOSE RIFLE BULLETS

Introduction

Thank you for choosing the PROHUNTER 35 CALIBER (0.355") FLAT NOSE RIFLE BULLETS from SIERRA BULLETS, INC. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the rifle bullets.

General Safety Guidelines

- Ensure that you are familiar with your firearm and its operation before using the bullets.
- Always treat every firearm as if it is loaded.
- Store bullets in a secure location, away from children and unauthorized users.
- Use only in firearms that are specifically chambered for the .350 Legend cartridge.
- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Follow all local laws and regulations regarding the use and storage of ammunition.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper handling of bullets may lead to accidental discharge.
- Using bullets in incompatible firearms can cause malfunctions or injuries.
- Exposure to lead may pose health risks; avoid inhaling lead dust.

- **Avoiding Hazards:**

- Always keep the muzzle pointed in a safe direction when loading or unloading.
- Do not use damaged or corroded bullets.
- Ensure your firearm is in good working order before use.
- Do not modify bullets or attempt to reload them unless you are trained and knowledgeable in ammunition reloading.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals who are of legal age to purchase and use ammunition in their jurisdiction.
- Keep out of reach of children and inexperienced users.

Instructions for Installation and Usage

- **Installation:**

- Ensure that your firearm is unloaded before installing the bullets.
- Follow the manufacturer's instructions for loading bullets into your specific firearm.
- Check that the bullets are seated correctly in the chamber before firing.

- **Usage:**

- Fire only in a safe and controlled environment, such as a designated shooting range.
- Be aware of your surroundings and ensure that there are no people or animals in the line of fire.
- After firing, check the firearm and bullets for any signs of malfunction or damage.

Disposal Instructions

- Dispose of used or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities or hazardous waste disposal facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further information regarding this product, please contact the manufacturer or your local distributor. Ensure that you have the product details available for reference.

By following these guidelines, you can help ensure a safe and enjoyable experience with your PROHUNTER 35 CALIBER (0.355") FLAT NOSE RIFLE BULLETS. Thank you for your attention to safety.
