

MATCHKING-X 7MM (0.284") HOLLOW POINT BOAT TAIL RIFLE BULLETS - SIERRA BULLETS, INC. MATCHKING-X 7MM (0.284") 175GR HPBT 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

SIERRA BULLETS, INC. MATCHKING-X 7MM (0.284") HOLLOW POINT BOAT TAIL RIFLE BULLETS The Hollow Point Boat Tail MatchKing X (MKX) is a mirrored image of the renowned MatchKing, sharing the same ogive profile and external dimensions. This means you can switch between precision match shooting and hunting without making any seating die adjustments. Engineered for reliable expansion at long range velocities, the MKX delivers match-grade accuracy in a true hunting bullet. With a high ballistic coefficient of 0.597 (G1), it mirrors the performance of its MatchKing counterpart in flight, while providing the terminal performance hunters demand. Whether you're ringing steel or taking game, the MKX proves you don't have to sacrifice precision for performance. SPECS Bullet Type: Hollow Point Boat Tail (HPBT) Purpose: Hunting Pursuit: Big Game, Target Bullet Material: Jacketed Lead

Safety Instruction Guide for MATCHKINGX 7MM (0.284") HOLLOW POINT BOAT TAIL RIFLE BULLETS

Introduction

Thank you for choosing the MATCHKINGX 7MM (0.284") HOLLOW POINT BOAT TAIL RIFLE BULLETS by SIERRA BULLETS, INC. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the bullets.

General Safety Guidelines

- Always handle ammunition with care and follow standard safety practices.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Use only in firearms that are specifically chambered for 7mm cartridges.
- Ensure that your firearm is in good condition and properly maintained before use.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not consume alcohol or drugs before or while using this product.

Specific Safety Precautions for Use

- Check for any visible damage to the bullets before use. Do not use damaged bullets.
- Ensure that the seating die is properly adjusted when switching between match shooting and hunting.
- Verify that your firearm is unloaded when loading or unloading ammunition.
- Follow the manufacturer's reloading specifications and guidelines if reloading ammunition.
- Avoid using bullets that have been stored improperly or are past their expiration date.
- Always point the firearm in a safe direction when loading or unloading.
- Do not attempt to modify or tamper with the bullet design.

Instructions for Installation and Usage

• Loading the Bullets:

1. Ensure your workspace is clear and free from distractions.
2. Gather all necessary tools and equipment, including a reloading press, seating die, and safety gear.
3. Set up your reloading press according to the manufacturer's instructions.
4. Carefully place the bullet in the case mouth, ensuring it is properly aligned.
5. Adjust the seating die to achieve the desired bullet seating depth.
6. Apply consistent pressure to the press handle to seat the bullet securely.

• Firing the Bullets:

1. Load the ammunition into the firearm according to the manufacturer's guidelines.
2. Check that the firearm is in a safe condition before firing.
3. Aim the firearm at the intended target, ensuring a clear line of sight.
4. Squeeze the trigger gently to fire the bullet.
5. After firing, observe the target and surroundings for any safety concerns.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular household trash. Contact local authorities for proper disposal methods.
- Ensure that all spent casings are collected and disposed of safely.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's official website or contact your local distributor.

Thank you for following these safety instructions. Your adherence to these guidelines ensures a safer experience while using MATCHKINGX 7MM (0.284") HOLLOW POINT BOAT TAIL RIFLE BULLETS.
