

# TIPPED MATCHKING 7MM (0.284") POLYMER TIPPED BOAT TAIL BULLETS - SIERRA BULLETS TIPPED MATCHKING 7MM (0.284") 185GR TMK 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

SIERRA TIPPED MATCHKING 7MM (0.284") POLYMER TIPPED BOAT TAIL RIFLE BULLETS Sierra has enhanced a segment of the MatchKing line by adding the acetal resin tip, thus crowning the Tipped MatchKing (TMK) bullet line. The major advantage of adding a tip to the bullet is the reduction of drag, producing a more favorable ballistic coefficient. Another benefit is reliable feeding in magazine fed firearms. While they are recognized around the world for record-setting accuracy, MatchKing® and Tipped MatchKing® bullets are not recommended for most hunting applications. Although MatchKing® and Tipped MatchKing® bullets are commonly used for varmint hunting, their design will not provide the same reliable explosive expansion at equivalent velocities in varmints compared to their lightly jacketed Hornet, Blitz or Varminter counterparts.

## Attributes

- Name: [SIERRA BULLETS TIPPED MATCHKING 7MM \(0.284"\) 185GR TMK 100/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)

# Consumer Safety Instruction Guide for TIPPED MATCHKING 7MM (0.284") POLYMER TIPPED BOAT TAIL BULLETS

## Introduction

Thank you for choosing the TIPPED MATCHKING 7MM (0.284") POLYMER TIPPED BOAT TAIL BULLETS by Sierra Bullets. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read and follow all instructions carefully to minimize any risks associated with its use.

## General Safety Guidelines

- Ensure that all users are familiar with the safe handling of firearms and ammunition.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized personnel.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Do not use these bullets in firearms that are not compatible with 7mm ammunition.
- Regularly inspect your firearms and ammunition for signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always treat every firearm as if it is loaded.
- Never point a firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to shoot.
- Use only the recommended powder and load data for this bullet type.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the Tipped MatchKing bullets for hunting applications unless specifically recommended.
- Understand that these bullets are designed for precision shooting and may not perform as expected in hunting scenarios.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the appropriate reloading equipment and safety gear.
- Verify that your firearm is clean and in good working condition.

### 2. Loading the Bullets:

- Follow the manufacturer's reloading data for the TIPPED MATCHKING 7MM bullets.
- Carefully seat the bullet into the cartridge case, ensuring it is properly aligned.
- Do not exceed the recommended load specifications.

### 3. Storage:

- Store loaded ammunition in a secure, temperaturecontrolled environment.
- Keep ammunition in its original packaging or a designated storage container.

### 4. Shooting:

- Always follow the safety guidelines outlined above while shooting.

- Use appropriate targets and ensure a safe backdrop.
- Clean your firearm after use to maintain its performance and safety.

## **Disposal Instructions**

- Dispose of unused or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local waste management authorities for guidance on hazardous waste disposal.

## **Contact Information for Further Support**

For safety inquiries or additional support, please reach out to the appropriate consumer safety contact in your region. Always ensure that you are informed about the latest safety updates and product recalls through official channels.

By following these guidelines, you can help ensure a safe and enjoyable experience with your TIPPED MATCHKING 7MM (0.284") POLYMER TIPPED BOAT TAIL BULLETS. Thank you for your attention to safety.
