

SLEDGEHAMMER OMNI-BUSTER AMBIDEXTROUS CHARGING HANDLE FOR AR-15 - BREEK ARMS SLEDGEHAMMER OMNI-BUSTER AMBIDEX CHARGING HANDLE FOR AR-15

BREEK ARMS SLEDGEHAMMER OMNI-BUSTER AMBIDEXTROUS CHARGING HANDLE FOR AR-15 The Sledgehammer Omni-Buster™ AR-15 Charging Handle is engineered for shooters running suppressed rifles who demand reliable gas mitigation without oversized controls. Its internal gas-management system delivers three integrated gas-reducing features for both left and right handed shooters, significantly minimizing blowback at the shooter's face when running unsuppressed or suppressed. The Omni-Buster features a balanced ambidextrous design with robust serrated latches for confident manipulation under stress. Machined from aerospace-grade 7075-T6 aluminum and finished with Type III hard-coat anodizing, the Omni-Buster is built for hard use while maintaining smooth, repeatable operation across all mil-spec AR-15 platforms. **SPECIFICATIONS** Built for left handed shooters & right handed operators shooting off hand Great option for both shooting suppressed and unsuppressed Material: 7075-T6 Aluminum Finish: Type III Hard-Coat Anodized Weight: 1.1 oz Latch Width: 2.59" Fits: Mil-Spec AR-15 / M16 Installation: No gunsmithing required Made in America **GAS-REDUCING FEATURES** (3x) Higher raised shelf at the rear of the upper receiver to block gas from the shooters face Internal stem baffling to slow gas expansion Optimized stem geometry to redirect excess gas away from the shooter

Sledgehammer OmniBuster Ambidextrous Charging Handle Safety Instruction Guide

Introduction

Thank you for choosing the Sledgehammer OmniBuster Ambidextrous Charging Handle for your AR15. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product properly.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and its components before using the Sledgehammer OmniBuster Charging Handle.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the charging handle and firearm in a secure location away from children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure the firearm is on safe before handling the charging handle.
- Do not attempt to modify or alter the charging handle in any way.
- Use the charging handle only with milspec AR15 or M16 platforms.
- Be aware of your surroundings and ensure that no one is in the line of fire when operating the firearm.
- If you experience any malfunction while using the charging handle, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. Ensure that the firearm is unloaded and the safety is engaged.
2. Remove the existing charging handle from the upper receiver by pulling it out of the receiver.
3. Align the Sledgehammer OmniBuster Charging Handle with the receiver and insert it into the designated slot.
4. Ensure that the charging handle is fully seated and secure within the receiver.
5. Perform a function check to confirm that the charging handle operates smoothly.

Usage

- To charge the firearm, grasp the serrated latches of the charging handle firmly.
- Pull the charging handle back to the rear of the receiver and release it to chamber a round.
- Ensure that your fingers are clear of the ejection port during operation.
- After use, always return the firearm to a safe condition.

Disposal Instructions

- Dispose of the Sledgehammer OmniBuster Charging Handle according to local regulations for metal recycling.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer needed, ensure it is stored safely until proper disposal can be

arranged.

Contact Information for Further Support
