

PRE-FIT RECOIL PAD - KICK-EEZ MODEL KZ117 PRE-FIT RECOIL PAD

[Shooting Accessories](#) > [Recoil Parts](#) > [Recoil Pads](#) > [Universal](#)

Drop-in replacement buttpad with outstanding recoil absorption properties reduces felt recoil by, and minimizes flinch for fast, accurate follow up shots and no “day after” shoulder pain. These pads are pre-shaped to fit the factory stock contours and screw spacing of specific models, so there’s no grinding, fitting, or drilling. Remove the current buttpad, replace with a Kick-Eez. Made of Sortothane®, a unique visco-elastic polymer that disperses recoil energy outward, away from the shooter’s shoulder, without distorting or bottoming out. Retains its 100% memory even after thousands of shots. FITS: Wood Stocked Remington Model 700

Safety Instruction Guide for PREFIT RECOIL PAD KICKEEZ MODEL KZ117

Introduction

Thank you for choosing the PREFIT RECOIL PAD KICKEEZ MODEL KZ117. This product is designed to enhance your shooting experience by providing superior recoil absorption. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the recoil pad.
- Use the product only as intended, following the manufacturer's guidelines.
- Keep the recoil pad out of reach of children and vulnerable individuals.
- Regularly inspect the recoil pad for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the recoil pad is compatible with your firearm model, specifically designed for Wood Stocked Remington Model 700.
- Do not attempt to modify or alter the recoil pad in any way, as this may compromise its safety and effectiveness.
- Avoid using the recoil pad if it shows signs of damage or wear.
- When shooting, maintain a proper stance and grip to minimize the risk of injury from recoil.

Instructions for Installation and Usage

1. Remove the Existing Buttpad:

- Use a screwdriver to remove the screws securing the current buttpad to the stock.
- Carefully detach the old buttpad from the firearm.

2. Prepare the KickEez Recoil Pad:

- Ensure that the KickEez recoil pad is clean and free from debris.
- Check that the screw holes align with the mounting points on your firearm stock.

3. Install the KickEez Recoil Pad:

- Position the KickEez recoil pad onto the stock, ensuring it fits snugly against the contours.
- Insert the provided mounting screws through the holes in the recoil pad into the stock.
- Tighten the screws securely, but do not overtighten to avoid damaging the pad or stock.

4. Final Inspection:

- After installation, check that the recoil pad is firmly attached and does not move.
- Ensure that there are no gaps between the pad and the stock.

5. Usage:

- When using your firearm, ensure that you are in a safe and controlled environment.
- Follow all safety protocols associated with firearm handling and shooting.

Disposal Instructions

- Dispose of the recoil pad responsibly in accordance with local regulations.
- Do not incinerate the product, as it may release harmful substances.
- If the product is damaged or no longer usable, ensure it is disposed of in a manner that prevents accidental use.
