

# AR-15 5.56 FULL MASS BOLT CARRIER GROUP - J P ENTERPRISES

## JPBC-2A FULL-MASS BOLT & CARRIER

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

### High-Performance, B/C Groups In Choice Of Full- Or Low-Mass Configuration

Precision-machined, stainless bolt-and-carrier group features JP's enhanced bolt made of high-grade 9310 steel for a significantly longer life expectancy than standard mil-spec bolts. Set is available with choice of a JPBC-3A, JPBC-3SPA, JPBC-2A-6.5G, and JPBC-3A-6.5G Low Mass carriers that reduce felt recoil and increase bolt speeds slightly for enhanced rapid fire handling, or the standard JPBC-2A and JPBC-2A-6.5G Full Mass carriers that replicates the normal carrier weight and is preferred for duty rifles or any time absolute reliability is required. Standard weight carrier features a 100% increase in bearing surface for smoother cycling and reduced wear on the inside of the receiver. Both the JPBC-2A, JPBC-3A, JPBC-2A-6.5G, and JPBC-3A-6.5G carriers feature JP's super-hard QPQ finish for maximum wear resistance and minimal friction, while the JPBC-3SPA and JPBC-3SPA-6.5G comes in a polished stainless finish. Extractor, firing pin, and all other components are included.

# Safety Instruction Guide for AR15 5.56 FULL MASS BOLT CARRIER GROUP J P ENTERPRISES JPBC2A

## Introduction

Thank you for choosing the AR15 5.56 Full Mass Bolt Carrier Group by J P Enterprises. This product is designed for high performance and durability. To ensure safe and effective use, please read this safety instruction guide carefully. It provides essential information regarding the safe operation, installation, and maintenance of your bolt carrier group.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before handling or installing the bolt carrier group.
- Store the bolt carrier group and all firearm components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the bolt carrier group for signs of wear or damage before use.
- Follow all local and national laws regarding the use and ownership of firearms.
- Use only compatible parts and accessories with your AR15 platform to avoid malfunctions.
- If you are inexperienced with firearms, seek guidance from a qualified instructor before use.

## Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times during installation and usage.
- Wear appropriate eye and ear protection when operating the firearm.
- Do not exceed the manufacturer's recommended ammunition specifications to prevent malfunction or injury.
- Be aware of your surroundings and ensure a clear and safe area for shooting.
- Do not modify the bolt carrier group or any other firearm components unless you are a qualified gunsmith.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith for inspection.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Verify that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Carrier:**
  - Disassemble the upper receiver from the lower receiver.
  - Remove the existing bolt carrier group from the upper receiver by pulling it out of the receiver.
3. **Insert New Bolt Carrier Group:**
  - Align the new bolt carrier group with the receiver and slide it into place until it is fully seated.
4. **Reassemble Firearm:**
  - Reattach the upper receiver to the lower receiver, ensuring all pins are secure.
5. **Function Check:**
  - Conduct a function check to ensure the bolt carrier group operates smoothly.

### Usage

- Load the firearm with the appropriate ammunition.
- Ensure that the safety is engaged until you are ready to fire.
- When ready to fire, disengage the safety and aim at your target.

- Follow standard shooting practices and maintain control of the firearm at all times.

## **Disposal Instructions**

- Dispose of the bolt carrier group in accordance with local regulations regarding hazardous materials.
- If the product is damaged or no longer functional, do not attempt to repair it. Instead, take it to a qualified disposal facility.
- Ensure that all parts are disposed of in a manner that prevents unauthorized access.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please contact the manufacturer directly. Ensure that you have your product information available for reference.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your AR15 5.56 Full Mass Bolt Carrier Group. Always prioritize safety and be responsible when handling firearms.
