[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

Precision-Machined. Absolute Reliability.

The J P Enterprises 6.5 Grendel / 6mm ARC Full Mass Bolt Carrier Group offers a precision-machined, enhanced, stainless bolt-and-carrier group made of high-grade 9310 steel providing a significantly longer life expectancy than standard mil-spec bolts. The 6.5 Grendel / 6mm ARC Full Mass Bolt Carrier Group replicates the normal carrier weight and is preferred for duty rifles or any time absolute reliability is required. Standard weight carrier features a 100% increase in bearing surface for smoother cycling and reduced wear on the inside of the receiver. The J P Enterprises BCG features a super-hard QPQ finish for maximum wear resistance and minimal friction. Extractor, firing pin, and all other components are included.

Attributes

- Name: [J P ENTERPRISES JPBC-2A 6.5 GRENDEL / 6MM ARC FULL MASS BOLT CARRIER GROUP](#)

Safety Instruction Guide for J P Enterprises 6.5 Grendel / 6mm ARC Full Mass Bolt Carrier Group

Introduction

Thank you for choosing the J P Enterprises 6.5 Grendel / 6mm ARC Full Mass Bolt Carrier Group (BCG). This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read through this document carefully before using the BCG.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the BCG and all firearm components securely and out of reach of children.
- Use only the recommended ammunition for your firearm.
- Regularly inspect your BCG for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the BCG.
- Wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Avoid using the BCG in adverse weather conditions that may affect its performance.
- Do not modify the BCG in any way that could compromise its integrity or safety.
- Keep your hands and face clear of the ejection port during operation.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is completely unloaded.
2. Remove the existing bolt carrier group from the upper receiver.
3. Clean the upper receiver and inspect it for any debris or damage.
4. Insert the J P Enterprises BCG into the upper receiver, ensuring it is seated properly.
5. Ensure that the charging handle is properly engaged with the BCG.
6. Perform a function check to ensure smooth operation.

Usage

- Always follow the manufacturer's instructions for your specific firearm model.
- Use the BCG only with compatible firearms designed for the 6.5 Grendel or 6mm ARC cartridges.
- After firing, allow the BCG to cool before handling to prevent burns.
- Regularly clean and maintain the BCG to ensure optimal performance and longevity.

Disposal Instructions

- Dispose of the BCG in accordance with local regulations regarding hazardous materials.
- Do not dispose of the BCG in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the J P Enterprises 6.5 Grendel / 6mm ARC Full Mass Bolt Carrier Group, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for ensuring the safe use of your J P Enterprises BCG. Your safety and the safety of others is our top priority.
