

NXS 5.5-22X56MM SCOPES - NXS 5.5-22X56MM SFP MOAR 20 MOA RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

MOAR reticle is Nightforce's latest advancement in precision shooting. It features a floating center crosshair two MOA wide and two MOA tall, providing a precise aiming point, especially on smaller targets at longer ranges. The MOAR also has one-MOA elevation and windage spacings, which provide accurate rangefinding and hold-offs compared to ordinary reticles with coarser markings. C507 with MOAR-T Reticle features center crosshair illuminations only.

Attributes

- Name: [NXS 5.5-22X56MM SFP MOAR 20 MOA RETICLE BLACK](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 524000135

NXS 5.522X56MM SCOPES Safety Instruction Guide

Introduction

Thank you for choosing the NXS 5.522X56MM SCOPES. This guide provides important safety instructions and guidelines to ensure the safe use and handling of your new scope. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that all users of the scope understand how to operate it safely.
- Always handle the scope with care to avoid damage.
- Store the scope in a secure location when not in use.
- Regularly check for any signs of damage or wear before use.
- Use the scope only for its intended purpose to avoid accidents.
- Keep the scope out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always use the scope in a safe environment, away from hazards.
- Do not look directly at the sun through the scope, as this can cause severe eye damage.
- Ensure that the mounting of the scope is secure before use to prevent it from falling or shifting.
- Be aware of your surroundings when using the scope to avoid accidents.
- Follow all local laws and regulations regarding the use of scopes and firearms.

Instructions for Installation and Usage

1. Installation

- Ensure that you have the necessary tools for installation.
- Mount the scope securely on the rifle using the provided mounting rings.
- Adjust the scope to ensure it is level and aligned with the rifle.
- Tighten all screws and fittings to secure the scope in place.

2. Usage

- Before using the scope, adjust the magnification to your desired level (5.5x to 22x).
- Use the MOAR reticle for precise aiming at targets.
- Ensure proper eye relief (3.90 inches) while looking through the scope to avoid injury.
- Familiarize yourself with the click value adjustments (1/4 MOA) for elevation and windage.
- Always check the field of view (17.5 ft @ 5.5x, 4.7 ft @ 22x) before taking a shot.

Disposal Instructions

- Dispose of the scope in accordance with local regulations.
- Do not dispose of the scope in regular household waste.
- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or support regarding your NXS 5.522X56MM SCOPES, please reach out to the appropriate contact point provided by the manufacturer. It is important to have access to assistance if needed.

Thank you for your attention to these safety instructions. Enjoy your new scope responsibly and safely.
