

# NXS 5.5-22X56MM SCOPES - NXS 5.5-22X56MM SFP MOAR-T RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

MOAR reticle is Nightforce's latest advancement in precision shooting. It features a floating center crosshair two MOA wide and two MOA tall, providing a precise aiming point, especially on smaller targets at longer ranges. The MOAR also has one-MOA elevation and windage spacings, which provide accurate rangefinding and hold-offs compared to ordinary reticles with coarser markings. C507 with MOAR-T Reticle features center crosshair illuminations only.

## Attributes

- Name: [NXS 5.5-22X56MM SFP MOAR-T RETICLE BLACK](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 524000163
- Mfr. No.: C507

# NXS 5.522X56MM SCOPES Safety Instruction Guide

## Introduction

Thank you for choosing the NXS 5.522X56MM SFP MOART Reticle Scope. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure safe handling of the scope to avoid personal injury or damage to the product.
- Always handle the scope with care, avoiding drops or impacts that may affect its performance.
- Keep the scope out of reach of children and vulnerable individuals who may not understand the potential hazards.
- Use the scope only for its intended purpose as outlined in this guide.
- Regularly check for any signs of damage or wear that may compromise safety and performance.
- In case of any malfunction or damage, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

- Do not look directly at the sun through the scope, as this can cause severe eye damage.
- Ensure that the scope is securely mounted to your firearm before use.
- Check the alignment and stability of the scope after installation and before each use.
- Use appropriate eye protection while using the scope, especially when shooting.
- Be aware of your surroundings and ensure a clear line of sight before aiming and firing.
- Follow all local laws and regulations regarding the use of firearms and scopes.

## Instructions for Installation and Usage

### Installation

#### 1. Mounting the Scope:

- Use a compatible mounting system that fits the 30mm tube diameter.
- Follow the manufacturer's instructions for securing the scope to the firearm.
- Ensure the scope is level and properly aligned with the barrel for accurate aiming.

#### 2. Adjusting the Reticle:

- Familiarize yourself with the MOART reticle features and adjustments.
- Make sure the reticle is properly illuminated if applicable, and adjust brightness as needed.

#### 3. Final Check:

- After installation, doublecheck all screws and mounts to ensure everything is tight and secure.
- Perform a visual inspection of the scope to confirm there are no defects.

### Usage

#### 1. Aiming:

- Use the floating center crosshair for precise aiming, particularly on smaller targets.

- Adjust elevation and windage settings as needed for accurate shooting.

## 2. Maintenance:

- Regularly clean the scope using a soft, lintfree cloth to maintain clarity.
- Avoid using harsh chemicals or abrasive materials that could damage the lens.

## Disposal Instructions

- Dispose of the scope and any packaging materials in accordance with local regulations.
- Do not dispose of the scope in regular household waste; check for recycling programs or hazardous waste facilities.
- If the scope is damaged beyond repair, consult local guidelines for proper disposal methods.

## Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's contact details provided with your product documentation.

By following these safety instructions, you can ensure a safe and enjoyable experience with your NXS 5.522X56MM SFP MOART Reticle Scope. Thank you for your attention to safety.
