

COMPETITION 15-55X52 RIFLESCOPES - COMPETITION 15-55X52MM SFP CTR-2 RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The Competition™ now includes ZeroStop™ and Hi-Speed™ adjustments as standard equipment. Two fast, easy-to read windage caps are included with every rifle scope, so you can tailor the Competition™ to your style of shooting.

ED glass, for superb color contrast correction and high resolution. A remarkable 92% light transmission, approaching the maximum ever achieved in any rifle scope. Fast-focus European-style eyepiece. Just 27.8 ounces in weight—24% lighter than our 12-42 x 56 Benchrest, and over 20% lighter than our former 12-42 x 56 NXS™ riflescopes. The list goes on. Side parallax adjustment from 25 yards to infinity. Hi-Speed™ windage and elevation adjustments of .125 MOA, positive and repeatable over a lifetime of use, now standard with ZeroStop.™ Total elevation travel is 55 MOA, total windage 50 MOA. Each rotation provides 10 MOA of adjustment. The exceptional resolving power of the Competition's ED glass, combined with our lens coatings and uncompromising construction techniques perfected over more than 20 years, means that all of the Competition's magnification range produces outstanding clarity...not just a portion of it, as is often the case in lesser optics. For the serious competitor, this is one serious rifle scope.

Nightforce recommends the use of a 20-30 MOA tapered base to yield maximum performance from your Competition™ rifle scope.

Attributes

- Name: [COMPETITION 15-55X52MM SFP CTR-2 RETICLE BLACK](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 524000167
- Mfr. No.: C511
- Click Value: 1/8 MOA
- Click Value: 1/8 MOA
- Eye Relief: 3.20"
- Finish: Matte Black
- Focal Plane: Second
- Illumination: No
- Length: 16.2"
- Max Magnification: 55x
- Min. Magnification: 15x
- Model Number: Competition
- Objective Size: 52mm
- Reticle: CTR-2
- Tube Size: 30mm
- Weight: 27.9 oz
- Delivery weight: 1.315kg
- Shipping height: 124mm
- Shipping width: 140mm
- Shipping length: 584mm
- UPC: 847362007205

Safety Instruction Guide for Competition 1555X52 Riflescopes

Introduction

Thank you for choosing the Competition 1555X52 Rifle scope by Nightforce. This guide provides essential safety instructions and guidelines to ensure the safe use of your rifle scope. Please read this document carefully to familiarize yourself with important safety precautions, installation instructions, and disposal information.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the rifle scope by following these guidelines and instructions.
- **Enhanced Recalls:** Be aware of standardized recall notices and remedies for any dangerous products.
- **Online Shopping:** If purchased online, confirm that the retailer meets safety requirements.
- **Special Consumer Focus:** Extra safeguards should be considered for vulnerable users, such as children.
- **EU Contact Point:** For safety inquiries, ensure you have access to an EU-based contact.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- Always ensure the rifle scope is mounted securely to prevent accidents during use.
- Do not look directly at the sun through the rifle scope as it may cause permanent eye damage.
- Keep the rifle scope out of reach of children and unauthorized users.
- Use the rifle scope only for its intended purpose and in accordance with local laws and regulations.
- Regularly inspect the rifle scope for signs of damage or wear. If any issues are found, discontinue use immediately.
- Avoid exposing the rifle scope to extreme temperatures or harsh weather conditions.
- Do not attempt to disassemble or modify the rifle scope, as this may compromise its safety and performance.

Instructions for Installation and Usage

Installation

1. Mounting the Rifle Scope:

- Choose a suitable mounting base compatible with your rifle.
- Securely attach the mounting rings to the base according to the manufacturer's instructions.
- Place the rifle scope in the rings and tighten the screws evenly to ensure stability.
- Ensure that the rifle scope is aligned correctly with the rifle's barrel before tightening completely.

2. Adjusting the Eyepiece:

- Adjust the fast-focus eyepiece to achieve a clear sight picture.
- Rotate the eyepiece until the reticle is sharp and clear.

Usage

• Zeroing the Rifle Scope:

- Follow the manufacturer's instructions to zero the rifle scope at your desired distance.
- Use the HiSpeed windage and elevation adjustments for precise adjustments.
- Confirm adjustments by firing test shots and making further adjustments as necessary.

- **Parallax Adjustment:**

- Adjust the side parallax from 25 yards to infinity to ensure a clear image at your shooting distance.

- **Magnification:**

- Use the magnification adjustment ring to set your desired level of magnification, from 15x to 55x.

- **Maintenance:**

- Clean the lenses with a soft, lintfree cloth to maintain optimal clarity.
- Store the riflescope in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the riflescope in accordance with local regulations for electronic waste.
- Do not dispose of the riflescope in regular household waste.
- If the riflescope is damaged beyond repair, contact your local waste management authority for proper disposal guidance.

Contact Information for Further Support

For any safety inquiries or support, please refer to the manufacturer's contact information provided with your product. It is important to have access to the necessary resources for any questions or concerns regarding the use and safety of your riflescope.

By following these safety instructions and guidelines, you can ensure the safe and effective use of your Competition 1555X52 Riflescope. Thank you for your attention to these important safety measures.
