

COMPETITION 15-55X52 RIFLESCOPES - COMPETITION 15-55X52MM SFP DDR-2 RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The Competition™ now includes ZeroStop™ and Hi-Speed™ adjustments as standard equipment. Two fast, easy-to read windage caps are included with every rifle scope, so you can tailor the Competition™ to your style of shooting.

ED glass, for superb color contrast correction and high resolution. A remarkable 92% light transmission, approaching the maximum ever achieved in any rifle scope. Fast-focus European-style eyepiece. Just 27.8 ounces in weight—24% lighter than our 12-42 x 56 Benchrest, and over 20% lighter than our former 12-42 x 56 NXS™ riflescopes. The list goes on. Side parallax adjustment from 25 yards to infinity. Hi-Speed™ windage and elevation adjustments of .125 MOA, positive and repeatable over a lifetime of use, now standard with ZeroStop.™ Total elevation travel is 55 MOA, total windage 50 MOA. Each rotation provides 10 MOA of adjustment. The exceptional resolving power of the Competition's ED glass, combined with our lens coatings and uncompromising construction techniques perfected over more than 20 years, means that all of the Competition's magnification range produces outstanding clarity...not just a portion of it, as is often the case in lesser optics. For the serious competitor, this is one serious rifle scope.

Nightforce recommends the use of a 20-30 MOA tapered base to yield maximum performance from your Competition™ rifle scope.

Attributes

- Name: [COMPETITION 15-55X52MM SFP DDR-2 RETICLE BLACK](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 524000169
- Mfr. No.: C513
- Click Value: 1/8 MOA
- Click Value: 1/8 MOA
- Eye Relief: 3.20"
- Finish: Matte Black
- Focal Plane: Second
- Illumination: No
- Length: 16.2"
- Max Magnification: 55x
- Min. Magnification: 15x
- Model Number: Competition
- Objective Size: 52mm
- Reticle: DDR-2
- Tube Size: 30mm
- Weight: 27.9 oz
- Delivery weight: 1.157kg
- Shipping height: 122mm
- Shipping width: 140mm
- Shipping length: 584mm
- UPC: 847362007229

Consumer Safety Instruction Guide for Competition 1555X52 Riflescopes

Introduction

Thank you for choosing the Competition 1555X52 Rifle scope. This guide provides essential safety instructions to ensure the safe use of your rifle scope. Please read this guide carefully before using the product, and keep it for future reference.

General Safety Guidelines

- Ensure that all users of the rifle scope are familiar with the safety instructions and operational guidelines.
- Always handle the rifle scope with care to avoid damage and ensure its longevity.
- Regularly check for signs of wear or damage to the rifle scope and its components.
- Store the rifle scope in a safe and secure location when not in use.
- Ensure that you are in a safe environment when using the rifle scope, and follow all local laws and regulations regarding firearms and optics.
- Use the rifle scope only for its intended purpose, which is for aiming and shooting with a compatible firearm.

Specific Safety Precautions for Use

- Always keep the rifle scope pointed in a safe direction when handling.
- Never look through the rifle scope while it is pointed at a person or an animal.
- Ensure that the area is clear of people and animals before taking any shots.
- Be mindful of your surroundings and ensure that there is a safe backstop for your shots.
- If you are unsure about the proper use of the rifle scope, seek guidance from a qualified professional or instructor.
- Use protective eyewear when using the rifle scope to safeguard against potential eye injuries.

Instructions for Installation and Usage

1. Installation

- Mount the rifle scope securely on the firearm using appropriate rings and bases.
- Ensure that the rifle scope is level and aligned with the barrel of the firearm.
- Tighten all mounting screws according to the manufacturer's specifications to prevent movement during use.

2. Usage

- Adjust the eyepiece for proper eye relief and comfort before looking through the rifle scope.
- Use the windage and elevation adjustments to zero the rifle scope according to your shooting preferences.
- Take time to practice with the rifle scope at various distances to become familiar with its features and adjustments.
- Always perform a function check before using the rifle scope in the field to ensure all adjustments are working correctly.

Disposal Instructions

- Dispose of the rifle scope and its components in accordance with local regulations.
- Do not dispose of electronic components in regular household waste.

- Check with local waste management authorities for proper disposal methods for optical devices.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's official website or contact their customer service department. Ensure that you have the model number and relevant information ready for a quicker response.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Competition 1555X52 Riflescope. Thank you for your attention to safety.
