iPhone Adapters Safety Instruction Guide

Introduction

Thank you for choosing the iPhone Adapter for the TS82™ Spotting Scope. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before using the adapter.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for any damage before use.
- Keep the product out of reach of children to prevent accidents.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the adapter if it appears damaged or malfunctioning.
- Avoid exposing the adapter to extreme temperatures, moisture, or direct sunlight.
- Do not attempt to modify or repair the adapter yourself.
- Ensure that the iPhone is securely attached to the adapter before use.
- Do not force the adapter onto the spotting scope; it should fit easily without excessive pressure.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the iPhone is turned off before attaching it to the adapter.
- Clean the surfaces of both the adapter and the iPhone to ensure a secure connection.

2. Installation:

- Align the iPhone Adapter with the camera lens of the iPhone.
- Gently slide the adapter onto the iPhone until it clicks into place.
- Check that the iPhone is securely attached and that there are no gaps between the adapter and the phone.

3. Using the Adapter:

- Attach the spotting scope to a stable surface to prevent it from tipping over.
- Align the spotting scope with the desired target.
- Look through the eyepiece of the spotting scope and adjust the focus as needed.
- Use the camera function on your iPhone to capture images through the spotting scope.

4. PostUse Care:

- Remove the iPhone from the adapter after use.
- Store the adapter in a cool, dry place away from direct sunlight.
- Regularly inspect the adapter for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the product in regular household waste.
- Consider recycling options for electronic devices and accessories.

Contact Information for Further Support

For any inquiries or additional support regarding the iPhone Adapter, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these guidelines, you can ensure the safe and effective use of your iPhone Adapter for the TS82™ Spotting Scope. Thank you for your attention to safety!
