

SHV 5-20X56MM SCOPES - SHV 5-20X56MM SFP MOAR RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Now, exceptional precision at extended ranges made possible by higher magnification is available at a reasonable price. While the quality of many lesser variable-power riflescopes deteriorates dramatically at high magnifications, our 5-20 x 56 provides superb clarity, crispness and color contrast throughout its entire range, from minimum to maximum. ZeroSet™ is standard, allowing a rapid return to your chosen zero even after multiple elevation adjustments.

Attributes

- Name: [SHV 5-20X56MM SFP MOAR RETICLE BLACK](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 524000187
- Mfr. No.: C534

SHV 520X56MM SCOPES Safety Instruction Guide

Introduction

Thank you for choosing the SHV 520X56MM SCOPES with MOAR reticle. This guide provides essential safety information to ensure the safe and effective use of your new riflescope. It is important to follow these guidelines to avoid potential hazards and ensure the best performance of your product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the SHV 520X56MM SCOPES according to the manufacturer's instructions.
- **Enhanced Recalls:** Be aware of standardized recall notices. Check for any recalls related to this product.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Keep this product out of reach of children to avoid potential hazards.
- **EU Contact Point:** For safety inquiries, refer to the EU-based contact information provided with your product.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Eye Injury:** Always use eye protection when using firearms equipped with this scope.
- **Proper Mounting:** Ensure the scope is securely mounted to avoid detachment during use.
- **Check for Damage:** Inspect the scope for any damage before each use. Do not use if damaged.
- **Avoid Extreme Conditions:** Do not expose the scope to extreme temperatures or moisture that may compromise its integrity.
- **Do Not Modify:** Do not attempt to modify or repair the scope. Contact a qualified technician for any necessary repairs.

Instructions for Installation and Usage

Installation

1. **Select a Mounting Base:** Choose a compatible mounting base for your firearm.
2. **Secure the Scope:** Attach the scope to the mounting base using the provided rings and screws.
3. **Align the Reticle:** Adjust the scope to ensure the reticle is level with the firearm.
4. **Tighten the Screws:** Ensure all screws are tightened securely, but do not overtighten.

Usage

- **Adjusting Magnification:** Rotate the magnification ring to select the desired level of magnification (5x to 20x).
- **Setting the Zero:** Utilize the ZeroSet™ feature to establish your preferred zero point.
- **Focusing the Reticle:** Use the diopter adjustment to focus the reticle according to your eyesight.
- **Parallax Adjustment:** Adjust the parallax setting based on the distance to your target for improved accuracy.
- **Eye Relief:** Maintain a safe distance of 3.5 to 3.54 inches from the eyepiece to prevent recoil injury.

Disposal Instructions

- **Environmentally Friendly Disposal:** Dispose of the scope in accordance with local regulations for electronic waste.
- **Do Not Disassemble:** Do not attempt to disassemble the scope for disposal; contact a local waste management authority for guidance.

Contact Information for Further Support

For assistance or inquiries regarding the SHV 520X56MM SCOPES, please refer to the contact information provided with your product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SHV 520X56MM SCOPES. Thank you for your attention to these guidelines.
