

# SHV 5-20X56MM SCOPES - SHV 5-20X56MM SFP ILLUMINATED MOAR RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Now, exceptional precision at extended ranges made possible by higher magnification is available at a reasonable price. While the quality of many lesser variable-power riflescopes deteriorates dramatically at high magnifications, our 5-20 x 56 provides superb clarity, crispness and color contrast throughout its entire range, from minimum to maximum. ZeroSet™ is standard, allowing a rapid return to your chosen zero even after multiple elevation adjustments.

## Attributes

- Name: [SHV 5-20X56MM SFP ILLUMINATED MOAR RETICLE BLACK](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 524000189
- Mfr. No.: C535
- Battery: CR-2032
- Click Value: 1/4 MOA
- Click Value: 1/4 MOA
- Eye Relief: 3.50", 3.20"
- Finish: Matte Black
- Focal Plane: Second
- Illumination: Yes
- Length: 15.2"
- Max Magnification: 20x
- Min. Magnification: 5x
- Model Number: SHV 5
- Objective Size: 56mm
- Reticle: MOAR
- Tube Size: 30mm
- Weight: 30.5 oz
- Delivery weight: 1.383kg
- Shipping height: 112mm
- Shipping width: 130mm
- Shipping length: 452mm
- UPC: 847362007489

## Item details

This product contains a battery.  
US export classification: 0A504.a

# SHV 520X56MM SCOPES Safety Instructions

## Introduction

Thank you for choosing the SHV 520X56MM SCOPES. This guide provides essential safety instructions and guidelines to ensure the safe use of your riflescope. Please read this manual carefully before using the product.

## General Safety Guidelines

- Always handle the riflescope with care to prevent damage.
- Ensure that the riflescope is suitable for your specific firearm.
- Follow all local laws and regulations regarding the use of firearms and scopes.
- Keep the riflescope out of reach of children and unauthorized users.
- Regularly inspect the scope for any signs of wear or damage.
- Do not attempt to disassemble or modify the riflescope.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with a scope.
- **Proper Mounting:** Ensure that the scope is securely mounted to avoid accidents during use.
- **Check Zero:** Regularly check the zero of the scope to ensure accuracy.
- **Avoid Extreme Conditions:** Do not expose the scope to extreme temperatures or moisture that may affect its performance.
- **Illumination Caution:** When using the illuminated reticle, ensure that the illumination is turned off when not in use to conserve battery life.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable mounting base for your firearm.
- Align the scope with the mounting base and secure it using the provided screws.
- Ensure that the scope is level before tightening the screws completely.
- Adjust the eye relief to ensure a comfortable viewing position.

### 2. Usage:

- To adjust magnification, rotate the magnification ring to your desired setting (5x to 20x).
- Use the parallax adjustment to focus the reticle on your target.
- To adjust for elevation and windage, use the turrets marked for these adjustments.
- Always check the battery level before use and replace the CR2032 battery as needed.

## Disposal Instructions

- Dispose of the riflescope responsibly in accordance with local regulations.
- Remove the battery before disposal and recycle it according to local guidelines.
- Do not dispose of the riflescope in regular household waste.

## Contact Information for Further Support

For any safety inquiries or assistance regarding your SHV 520X56MM SCOPES, please reach out to your local retailer or manufacturer's customer service.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable experience with your SHV 520X56MM SCOPES. Remember to stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for your attention to safety.
