# Product Safety Instruction Guide for 3" SUNSHADES 50MM (NXS)

## Introduction

Thank you for purchasing the 3" SUNSHADES from Nightforce. These sunshades are designed to enhance your shooting experience by reducing glare from the sun. This guide provides important safety instructions and guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the sunshades are compatible with your specific Nightforce scope model before installation.
- Inspect the sunshades for any damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children to prevent accidental injury.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the sunshades only for their intended purpose: to reduce glare from sunlight while using Nightforce scopes.
- Avoid touching the objective lens with your fingers to prevent smudging or damaging the lens.
- Do not force the sunshade onto the scope; ensure it is threaded properly to avoid crossthreading or damage.
- If the sunshade becomes loose during use, stop using the scope until it is securely reattached.
- Avoid using the sunshades in extreme weather conditions that may affect their performance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that your scope is clean and free from dust or debris.
- Align the sunshade with the objective lens of your Nightforce scope.
- Gently thread the sunshade onto the lens by turning it clockwise until it is securely fitted.
- Check that the sunshade is straight and properly aligned.

### 2. Usage

- When using the scope outdoors, especially in bright sunlight, ensure the sunshade is attached to maximize glare reduction.
- If you notice any issues with visibility or clarity, check the installation of the sunshade and the cleanliness of the lens.
- After use, remove the sunshade by turning it counterclockwise and store it in a safe place.

## Disposal Instructions

- Dispose of the sunshades in accordance with local regulations.
- If the product is damaged or no longer needed, ensure it is disposed of responsibly to minimize environmental impact.
- Consider recycling the product if applicable.

## **Contact Information for Further Support**

For any inquiries regarding the safety or performance of the 3" SUNSHADES, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for choosing Nightforce. We hope you enjoy your enhanced shooting experience with the 3" SUNSHADES. Please follow these safety instructions carefully to ensure your safety and the longevity of your product.
