RUBBER LENS CAPS NXS 24MM (SET) Safety Instruction Guide

Introduction

Thank you for choosing the RUBBER LENS CAPS NXS 24MM (SET). These lens caps are designed to protect the lenses of your Nightforce scope from dust, scratches, and other potential damage. This safety instruction guide provides essential information to ensure the safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the lens caps are compatible with your specific model of Nightforce scope.
- Inspect the lens caps regularly for any signs of wear or damage.
- Keep lens caps out of reach of children to prevent accidental ingestion or choking hazards.
- Use the lens caps only for their intended purpose.

Specific Safety Precautions for Use

- Avoid exposing the lens caps to extreme temperatures, as this may cause them to warp or degrade.
- Do not use the lens caps on damaged or cracked lenses, as this may lead to further damage.
- Handle the lens caps carefully to avoid tearing or puncturing the rubber material.
- Clean the lens caps with a soft, dry cloth to maintain their condition; avoid using harsh chemicals or abrasive materials.

Instructions for Installation and Usage

1. Installation:

- Ensure that the scope is turned off and placed in a safe location.
- Align the ocular lens cap with the eyepiece of the scope and gently press it into place until it fits securely.
- Repeat the process for the objective lens cap, ensuring it is securely fitted over the front lens.

2. Usage:

- Always cover the lenses with the caps when the scope is not in use to protect them from dust and scratches.
- When ready to use the scope, simply remove the lens caps by gently pulling them off.
- Store the lens caps in a safe location when not in use to prevent loss.

Disposal Instructions

- Dispose of the lens caps according to local regulations for rubber products.
- Do not dispose of the lens caps in regular household waste if recycling options are available.
- If the lens caps are damaged beyond use, consider recycling the material if possible.

Contact Information for Further Support

For any inquiries regarding product safety, compatibility, or to report a safety issue, please refer to the EU contact point provided with the product packaging or visit the relevant safety authority's website.

By following these guidelines, you can ensure the safe and effective use of your RUBBER LENS CAPS NXS 24MM

(SET). Thank you for prioritizing safety in your purchase.
