RUBBER LENS CAPS Safety Instruction Guide

Introduction

Thank you for choosing the RUBBER LENS CAPS NX5 56MM (SET) for your Nightforce scope. These lens caps are designed to protect your lenses from dust, scratches, and other potential damage. This safety instruction guide provides important information to ensure safe usage and maintenance of your lens caps in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

To ensure safe use of the RUBBER LENS CAPS, please adhere to the following guidelines:

- Always inspect the lens caps before use for any signs of damage or wear.
- Ensure that the lens caps fit securely over the ocular and objective lenses.
- Keep lens caps out of reach of children and pets to prevent choking hazards.
- Do not use the lens caps in extreme temperatures or conditions that may cause them to degrade.
- Report any unsafe product conditions to the appropriate authorities.

Specific Safety Precautions for Use

When using the RUBBER LENS CAPS, please observe the following precautions:

- Avoid using the lens caps on lenses that are not compatible with a 56mm size.
- Do not force the lens caps onto the lenses; they should fit snugly without excessive pressure.
- Clean the lens caps regularly with a soft, dry cloth to maintain their effectiveness.
- Do not use abrasive materials or solvents to clean the lens caps, as this may damage the rubber.
- Store the lens caps in a cool, dry place when not in use.

Instructions for Installation and Usage

Follow these steps for proper installation and usage of the RUBBER LENS CAPS:

1. Installation:

- Identify the ocular and objective lenses of your Nightforce scope.
- Align the rubber lens cap with the lens, ensuring that it is oriented correctly.
- Gently slide the lens cap over the lens until it fits snugly in place.
- Repeat the process for the second lens cap.

2. Usage:

- Use the lens caps whenever the scope is not in use to protect the lenses.
- Before using the scope, remove the lens caps by gently pulling them off.
- Ensure that the lenses are clean and clear before replacing the lens caps after use.

Disposal Instructions

To dispose of the RUBBER LENS CAPS responsibly, follow these guidelines:

- Check local regulations for recycling or disposal of rubber products.
- If the lens caps are damaged or no longer usable, dispose of them in accordance with local waste management practices.
- Do not dispose of lens caps in fire, as this may release harmful substances.

Contact Information for Further Support

For any safety inquiries or additional support regarding the RUBBER LENS CAPS, please refer to the EUbased contact point provided with your product packaging or documentation.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure the safe and effective use of your RUBBER LENS CAPS and protect your Nightforce scope lenses.
