

# ATACR 5-25X56MM SFP ENHANCED RIFLESCOPES - ATACR 5-25X56MM SFP ILLUMINATED MOAR RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The enhanced ATACR™ 5-25x56 incorporates the new ATACR™ 5-25x56 F1 First Focal Plane enhanced feature set, in a second focal plane configuration. The ATACR™ 5-25x56 "Enhanced" Riflescope includes the Nightforce Hi-Speed adjustments with patented ZeroStop, and is available in .1 Mrad (12 Mils per revolution) or .25 MOA (30 MOA per revolution) increments. A capped windage adjustment helps prevent accidental adjustment in the field. The parallax adjustment is marked with approximate numbered distances and is coupled with DigIllum digital reticle illumination. The eyepiece features enhanced engraving, an integrated Power Throw Lever (PTL) and an XtremeSpeed thread for making a fast diopter adjustment. The 34mm tube allows 120 MOA/34.9 Mils of elevation adjustment. Fully multi-coated ED glass results in light transmission values of over 90%, brilliant images and exceptional color contrast. A magnification range of 5x to 25x, and a wider field of view as a result of its unique optical prescription (17.96 feet at 5x) will cover virtually any situation a shooter could encounter. Tenebraex Flip Covers are now included.

## Attributes

- Name: [ATACR 5-25X56MM SFP ILLUMINATED MOAR RETICLE BLACK](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 524000208
- Mfr. No.: C553
- Battery: CR-2032
- Click Value: 1/4 MOA
- Click Value: 1/4 MOA
- Eye Relief: 3.50"
- Finish: Matte Black
- Focal Plane: Second
- Illumination: Yes
- Length: 14.3"
- Max Magnification: 25x
- Min. Magnification: 5x
- Model Number: ATACR
- Objective Size: 56mm
- Reticle: MOAR
- Tube Size: 34mm
- Weight: 39.0 oz
- Delivery weight: 2.064kg
- Shipping height: 124mm
- Shipping width: 140mm
- Shipping length: 582mm
- UPC: 847362008042

# ATACR 525X56MM SFP ENHANCED RIFlescopes SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the ATACR 525X56MM SFP Enhanced Riflescope. Your safety and satisfaction are our top priorities. This guide provides essential information regarding the safe use, installation, and disposal of your riflescope, ensuring compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

To ensure safe use of your ATACR riflescope, please adhere to the following guidelines:

- **Product Safety:** Always handle the riflescope with care. Ensure that it is used in accordance with the manufacturer's instructions to avoid any risks.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided for returning or exchanging the product.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety standards. Verify the legitimacy of the seller.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates regarding product safety.

## Specific Safety Precautions for Use

Before using your riflescope, please consider the following safety precautions:

- **Avoid Eye Injury:** Always use protective eyewear when handling or using the riflescope.
- **Secure Mounting:** Ensure the riflescope is properly mounted on your firearm to prevent accidents during use.
- **Check for Damage:** Inspect the riflescope for any signs of damage or wear before each use. Do not use if damaged.
- **Proper Adjustment:** Make sure to adjust the windage and elevation settings carefully, following the manufacturer's instructions.
- **Safe Handling:** Handle the riflescope with clean hands and avoid touching the lens to prevent smudging or scratching.

## Instructions for Installation and Usage

Follow these steps for the safe installation and usage of your ATACR riflescope:

### Installation

1. **Select a Suitable Mount:** Choose a compatible mount for your firearm. Ensure it is rated for the weight of the riflescope.
2. **Secure the Mount:** Attach the mount to the firearm according to the mount manufacturer's instructions.
3. **Attach the Riflescope:**
  - Align the riflescope in the mount.
  - Securely tighten the mounting screws without overtightening.
4. **Check Level:** Ensure that the riflescope is level before securing it completely.

## Usage

1. **Adjust the Eyepiece:** Use the integrated Power Throw Lever (PTL) to make quick diopter adjustments for optimal clarity.
2. **Set the Magnification:** Rotate the magnification ring to select the desired level of zoom (5x to 25x).
3. **Adjust Parallax:** Use the parallax adjustment feature to set the distance according to your target for improved accuracy.
4. **Illumination:** Activate the DigIllum digital reticle illumination as needed, ensuring it is set to a comfortable brightness for your shooting conditions.
5. **Practice Safe Shooting:** Always follow firearm safety rules and ensure the area is clear of unauthorized personnel before shooting.

## Disposal Instructions

When it comes time to dispose of your ATACR riflescope, please follow these guidelines to minimize environmental impact:

- **Electronic Waste:** As the riflescope contains electronic components, do not dispose of it in regular household waste.
- **Recycling:** Check local regulations for proper recycling facilities that accept electronic devices.
- **Manufacturer Return:** If available, consider returning the product to the manufacturer for proper disposal or recycling.

## Contact Information for Further Support

For any questions or concerns regarding the ATACR 525X56MM SFP Enhanced Riflescope, please refer to the contact information provided by your retailer or manufacturer.

Thank you for prioritizing safety while using your ATACR riflescope. We hope you enjoy your experience with this highquality product.
