

ATACR 4-16X50MM SFP RIFLE SCOPES - ATACR 4-16X50MM SFP ILLUMINATED MIL-R RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

A “bright, virtually perfect image...immune from recoil and just about anything else” is how experts describe the Nightforce ATACR. Its ED glass and virtually indestructible construction have distinguished the ATACR as the ultimate precision instrument for long-range shooting among military, tactical professionals and civilian shooters alike. Now, the ATACR 4-16x50mm will allow you to achieve the same kind of extreme performance from your hunting rifle. Its resolution and clarity, in a second focal plane configuration, will fully realize the capability of the flattest-shooting hunting cartridge. If the terms “high ballistic coefficient,” “low standard deviation” and “match grade” distinguish you from the ordinary hunter, then you’ll know why “extra-low dispersion glass,” “repeatable adjustments” and “impact testing” distinguish the ATACR 4-16x50mm from ordinary riflescopes. If you consider shooting to be the ultimate blend of art and science, and hunting for you is a way of life, the ATACR 4-16x50mm is an absolutely brilliant idea.

Attributes

- Name: [ATACR 4-16X50MM SFP ILLUMINATED MIL-R RETICLE BLACK](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 524000228
- Mfr. No.: C543
- Battery: CR-2032
- Click Value: 0.1 MRAD
- Click Value: 0.1 MRAD
- Eye Relief: 3.50"
- Finish: Matte Black
- Focal Plane: Second
- Illumination: Yes
- Length: 13.1"
- Max Magnification: 16x
- Min. Magnification: 4x
- Model Number: ATACR
- Objective Size: 50mm
- Reticle: Mil-R
- Tube Size: 34mm
- Weight: 33.3 oz
- Delivery weight: 1.633kg
- Shipping height: 152mm
- Shipping width: 133mm
- Shipping length: 584mm
- UPC: 847362007946

Item details

Made in USA

This product contains a battery.

Safety Instruction Guide for ATACR 416X50MM SFP Rifle Scope

Introduction

Thank you for choosing the Nightforce ATACR 416X50MM SFP Rifle Scope. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope. Adhering to these instructions will help you avoid potential hazards and enjoy a successful shooting experience.

General Safety Guidelines

- Ensure that the rifle scope is used only by individuals who are trained and competent in firearm handling.
- Always treat every firearm as if it is loaded.
- Keep the rifle scope and firearms out of reach of children and unauthorized users.
- Inspect the scope regularly for any signs of damage or malfunction before use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate eye and ear protection when using firearms.
- Follow all local laws and regulations regarding firearm use and hunting.

Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of the potential hazards associated with firearm use, including accidental discharge and recoil.
- **Proper Handling:** Always handle the rifle scope and firearm with care. Avoid pointing the firearm at anything you do not intend to shoot.
- **Mounting:** Ensure that the scope is properly mounted to the rifle according to the manufacturer's instructions to avoid misalignment and potential accidents.
- **Adjustment Caution:** Make adjustments to the scope only when the firearm is pointed in a safe direction and is not loaded.
- **Illumination Use:** Use the illumination feature responsibly and only when necessary, as it may affect visibility in certain lighting conditions.

Instructions for Installation and Usage

1. Installation:

- Ensure that the rifle is unloaded before beginning installation.
- Mount the scope securely to the rifle using compatible rings and bases.
- Follow the manufacturer's instructions for proper alignment and tightening of mounting screws.

2. Usage:

- Before using the scope, adjust the eye relief to ensure a comfortable viewing position.
- Use the magnification adjustment to achieve the desired level of zoom for your shooting needs.
- Familiarize yourself with the reticle and its functions before heading to the range or field.
- Always check the zeroing of the scope before engaging in serious shooting activities.

Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations and guidelines for electronic waste.
- Do not dispose of the scope in regular household waste.
- Contact local waste management authorities for information on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ATACR 416X50MM SFP Rifle Scope, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Nightforce ATACR 416X50MM SFP Rifle Scope. Always prioritize safety and responsible firearm use.
