

# NX8 2.5-20X50MM F1 RIFLE SCOPES - NX8 2.5-20X50MM FFP ILLUMINATED MOAR RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The NX8 2.5-20x50 F1 riflescope is an ultra-compact and capable riflescope. Building upon the legendary durability of the NXS family from Nightforce, the NX8 adds first focal plane performance with an 8x zoom range in a small package. This wide zoom range allows for fast engagements at close range along with the ability to detect, identify and engage targets at long range. Other features include the ZeroStop elevation adjustment for a rapid return to zero. The 50mm objective is optimized for resolution and light transmission, with a parallax adjustment coming as close as 11 yards. The integrated PTL (Power Throw Lever) makes power changes fast and easy. The performance available in such a compact size makes the NX8 2.5-20x50 F1 a perfect choice for your favorite semi-auto precision rifle or compact bolt-action rifle. 8x zoom range Red and Green Illumination 32 MRAD/110 MOA total Elevation 23 MRAD/80 MOA total Windage ED Glass Parallax from 11 yards to infinity ZeroStop for elevation Capped Windage

## Attributes

- Name: [NX8 2.5-20X50MM FFP ILLUMINATED MOAR RETICLE BLACK](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 524000261
- Mfr. No.: C622
- Battery: CR-2032
- Click Value: 1/4 MOA
- Click Value: 1/4 MOA
- Eye Relief: 3.44"
- Finish: Black
- Focal Plane: First
- Illumination: Yes
- Length: 12"
- Max Magnification: 20x
- Min. Magnification: 2.5x
- Model Number: NX8
- Objective Size: 50mm
- Reticle: MOAR
- Tube Size: 30mm
- Weight: 28.3 oz
- Delivery weight: 1.356kg
- Shipping height: 152mm
- Shipping width: 140mm
- Shipping length: 432mm
- UPC: 847362016702

## Item details

This product contains a battery.  
US export classification: 0A504.a

# NX8 2.520X50MM F1 Rifle Scopes Safety Instruction Guide

## Introduction

Thank you for choosing the NX8 2.520X50MM F1 Rifle Scope. This guide provides important safety information and instructions to ensure the safe and effective use of your riflescope. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the NX8 riflescope is used in accordance with all applicable laws and regulations in your area.
- Always treat your riflescope with care to maintain its functionality and safety.
- Keep the riflescope out of reach of children and vulnerable individuals.
- Regularly inspect the riflescope for any signs of damage or wear. If any issues are detected, discontinue use and seek professional assistance.
- Store the riflescope in a cool, dry place when not in use.
- Be aware of your surroundings and ensure that your shooting area is safe and secure.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded when attaching or detaching the riflescope.
- Use the riflescope only for its intended purpose. It is designed for precision shooting and should not be used for any other activities.
- Do not look directly at the sun or any bright light through the riflescope, as this can cause serious eye damage.
- Make sure that the riflescope is securely mounted to the firearm before use. Check all screws and fittings for tightness.
- When adjusting the magnification or focus, do so gently to avoid damaging the internal components.
- Be cautious when using the illumination feature. Ensure that the brightness is set to an appropriate level to avoid distraction or loss of focus while aiming.

## Instructions for Installation and Usage

### Installation

#### 1. Mounting the Scope

- Ensure that the firearm is unloaded.
- Select a suitable mounting base compatible with the NX8 riflescope.
- Attach the mounting rings to the base according to the manufacturer's instructions.
- Carefully place the riflescope into the rings and adjust its position for optimal eye relief.
- Tighten the mounting screws securely, ensuring the riflescope is stable.

#### 2. Zeroing the Scope

- Set up a target at a known distance (e.g., 100 yards).
- Use a stable shooting platform to ensure accuracy.
- Fire a group of shots and observe the point of impact relative to the point of aim.
- Adjust the elevation and windage turrets according to the manufacturer's instructions to align the point of impact with the point of aim.

## **Usage**

- To adjust the magnification, rotate the power throw lever smoothly until the desired magnification is reached.
- Use the parallax adjustment to ensure a clear image at varying distances. Adjust until the reticle and target appear sharp.
- Activate the illumination feature by pressing the designated button. Select the desired color (red or green) and brightness level.
- Always keep both eyes open while aiming for better depth perception and situational awareness.

## **Disposal Instructions**

- Dispose of the NX8 riflescope in accordance with local regulations for electronic waste.
- Do not dispose of the riflescope in regular household waste.
- If the riflescope contains batteries, follow proper battery disposal guidelines to prevent environmental contamination.

## **Contact Information for Further Support**

For any questions or concerns regarding the NX8 2.520X50MM F1 Rifle Scope, please refer to the manufacturer's website or customer service for assistance.

Please ensure that you follow all safety guidelines and instructions to maximize the performance and lifespan of your NX8 riflescope. Thank you for your attention to safety.
