

NX8 2.5-20X50MM F1 RIFLE SCOPES - NX8 2.5-20X50MM FFP ILLUMINATED MIL-C RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The NX8 2.5-20x50 F1 riflescope is an ultra-compact and capable riflescope. Building upon the legendary durability of the NXS family from Nightforce, the NX8 adds first focal plane performance with an 8x zoom range in a small package. This wide zoom range allows for fast engagements at close range along with the ability to detect, identify and engage targets at long range. Other features include the ZeroStop elevation adjustment for a rapid return to zero. The 50mm objective is optimized for resolution and light transmission, with a parallax adjustment coming as close as 11 yards. The integrated PTL (Power Throw Lever) makes power changes fast and easy. The performance available in such a compact size makes the NX8 2.5-20x50 F1 a perfect choice for your favorite semi-auto precision rifle or compact bolt-action rifle. 8x zoom range Red and Green Illumination 32 MRAD/110 MOA total Elevation 23 MRAD/80 MOA total Windage ED Glass Parallax from 11 yards to infinity ZeroStop for elevation Capped Windage

NX8 2.520X50MM F1 Rifle Scope Safety Instruction Guide

Introduction

Thank you for choosing the NX8 2.520X50MM F1 Rifle Scope. This guide provides essential safety instructions and usage information to ensure your safety and the optimal performance of your riflescope. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the riflescope by following these guidelines. This product is designed for nonfood use and adheres to the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** Be aware that any dangerous products may be subject to recalls. Stay informed about any updates regarding your product.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors to avoid accidents.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point provided with your product.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Handling:** Always handle the riflescope with care. Avoid dropping or subjecting it to impact.
- **Installation:** Ensure that the riflescope is installed correctly to avoid misalignment, which can lead to inaccurate shooting.
- **Maintenance:** Regularly check for any signs of damage or wear. Do not use the scope if it is damaged.
- **Weather Conditions:** Avoid using the riflescope in extreme weather conditions, such as heavy rain or snow, to prevent damage.
- **Illumination:** Use the illumination feature responsibly. Do not look directly into the light source when adjusting settings.
- **Storage:** Store the riflescope in a dry and secure location when not in use. Avoid exposing it to excessive humidity or extreme temperatures.

Instructions for Installation and Usage

- **Installation:**

1. Ensure the rifle is unloaded before installation.
2. Attach the riflescope to the rifle using the provided mounting rings and base.
3. Adjust the scope to the desired position for optimal eye relief.
4. Securely tighten all mounting screws to prevent movement during use.

- **Usage:**

1. Before use, verify that the riflescope is correctly zeroed to ensure accuracy.
2. Adjust the magnification and illumination settings as needed for your shooting environment.
3. Use the parallax adjustment feature to ensure a clear sight picture based on your distance to the target.
4. Always maintain a proper shooting stance and follow safe shooting practices.

Disposal Instructions

- **Environmental Considerations:** Dispose of the riflescope in accordance with local regulations regarding electronic waste. Do not throw it in regular household waste.
- **Battery Disposal:** Remove the battery (CR2032) before disposal. Dispose of batteries at designated recycling centers.

Contact Information for Further Support

For any inquiries or support regarding your NX8 2.520X50MM F1 Rifle Scope, please refer to the contact information provided with your product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your NX8 2.520X50MM F1 Rifle Scope. Thank you for your attention to safety.
