

NX8 4-32X50MM F1 RIFLE SCOPES - NX8 4-32X50MM F1 FFP ILLUMINATED MOAR RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The NX8 4-32x50 F1 riflescope is a compact and capable long range riflescope. Building upon the legendary durability of the NXS family from Nightforce, the NX8 adds first focal plane performance with an 8x zoom range in a small package. This wide zoom range allows for fast engagements at close range along with the ability to detect, identify and engage targets at long range. Other features include the ZeroStop elevation adjustment for a rapid return to zero. The 50mm objective is optimized for resolution and light transmission, with a parallax adjustment coming as close as 11 yards. An integrated PTL (Power Throw Lever) makes power changes fast and easy. The compact size and incredible capability of the NX8 4-32x50 F1 makes it an instant favorite for nearly any rifle and intended use. 8x zoom range Red and Green Illumination 26 MRAD/90 MOA total Elevation 20 MRAD/70 MOA total Windage ED Glass Parallax from 11 yards to infinity ZeroStop for elevation Capped Windage

Attributes

NX8 432X50MM F1 RIFLE SCOPES Safety Instruction Guide

Introduction

Thank you for choosing the NX8 432x50MM F1 Rifle Scope. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this manual carefully before using the rifle scope.

General Safety Guidelines

- Ensure the rifle scope is used in compliance with all local laws and regulations.
- Always handle firearms and accessories with care and respect.
- Keep the rifle scope out of reach of children and vulnerable individuals.
- Regularly inspect the scope for any signs of damage or wear.
- Do not modify or attempt to repair the scope unless authorized by the manufacturer.
- Store the rifle scope in a safe, dry place when not in use.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the rifle scope.
- **Mounting:** Ensure the scope is securely mounted to the rifle before use. Follow the installation instructions carefully.
- **Adjustment:** Make adjustments to the scope only when the rifle is pointed in a safe direction.
- **Illumination:** Use the illumination feature responsibly. Ensure the brightness level is appropriate for your shooting conditions.
- **ZeroStop:** Familiarize yourself with the ZeroStop feature to ensure accurate adjustments during use.
- **Parallax Adjustment:** Use the parallax adjustment feature to ensure a clear sight picture at varying distances.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any mounting rings.
2. **Select Mounting Rings:** Choose appropriate mounting rings that fit the 30mm tube size of the scope.
3. **Attach Mounting Rings:** Securely attach the mounting rings to the rifle's scope base.
4. **Position the Scope:** Place the scope into the mounting rings, ensuring it is level and aligned with the rifle.
5. **Tighten Mounting Screws:** Carefully tighten the mounting screws, ensuring the scope is held securely without overtightening.
6. **Check Alignment:** Verify that the scope is aligned with the rifle's barrel before proceeding to adjustments.

Usage

1. **Adjust Magnification:** Rotate the magnification ring to select the desired level of zoom.
2. **Set Parallax:** Adjust the parallax setting according to the distance of the target for optimal clarity.
3. **Illumination Settings:** Turn on the illumination feature and adjust the brightness to suit the lighting conditions.
4. **Zeroing the Scope:** Follow the manufacturer's instructions to zero the scope for accurate shooting.
5. **Regular Checks:** Periodically check the scope's adjustments and alignment before each use.

Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the scope in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support regarding the NX8 432x50MM F1 Rifle Scope, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your NX8 432x50MM F1 Rifle Scope. Thank you for your attention to safety, and happy shooting!
