

NX8 2.5-20X50MM F1 RIFLE SCOPES - NX8 2.5-20X50MM FFP ILLUMINATED HORUS TREMOR3 RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The NX8 2.5-20x50 F1 riflescope is an ultra-compact and capable riflescope. Building upon the legendary durability of the NXS family from Nightforce, the NX8 adds first focal plane performance with an 8x zoom range in a small package. This wide zoom range allows for fast engagements at close range along with the ability to detect, identify and engage targets at long range. Other features include the ZeroStop elevation adjustment for a rapid return to zero. The 50mm objective is optimized for resolution and light transmission, with a parallax adjustment coming as close as 11 yards. The integrated PTL (Power Throw Lever) makes power changes fast and easy. The performance available in such a compact size makes the NX8 2.5-20x50 F1 a perfect choice for your favorite semi-auto precision rifle or compact bolt-action rifle. 8x zoom range Red and Green Illumination 32 MRAD/110 MOA total Elevation 23 MRAD/80 MOA total Windage ED Glass Parallax from 11 yards to infinity ZeroStop for elevation Capped Windage

NX8 2.520X50MM F1 RIFLE SCOPES Safety Instruction Guide

Introduction

Thank you for choosing the NX8 2.520X50MM F1 Rifle Scope. This guide provides essential safety information to ensure the safe and effective use of your riflescope. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the riflescope is used only for its intended purpose, which is for precision shooting.
- Always handle the riflescope with care to avoid damage.
- Keep the riflescope out of reach of children and unauthorized users.
- Regularly inspect the riflescope for any signs of damage or wear. If any issues are found, discontinue use immediately and consult a professional.
- Be aware of your surroundings and ensure that you have a clear line of sight when using the riflescope.
- Always follow local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- Ensure that the riflescope is mounted securely on your firearm before use.
- Use the riflescope in a safe environment, away from crowded areas and potential hazards.
- Always point the firearm in a safe direction when adjusting or handling the riflescope.
- Do not use the riflescope while under the influence of drugs or alcohol.
- Be cautious when adjusting the elevation and windage settings to avoid unintentional shots.
- Do not look directly at the sun through the riflescope, as this could cause permanent eye damage.

Instructions for Installation and Usage

1. Installation

- Ensure that your firearm is unloaded before installing the riflescope.
- Mount the riflescope onto the firearm's scope base according to the manufacturer's instructions.
- Tighten all mounting screws securely, but do not overtighten, as this may damage the scope or the firearm.
- Adjust the eye relief by moving the scope forward or backward until you achieve a clear sight picture.

2. Usage

- Adjust the magnification by turning the power ring to the desired setting.
- Use the parallax adjustment to ensure a clear image at your target distance.
- When ready to shoot, take a stable shooting position and align the reticle with your target.
- After shooting, always check the zero setting and make adjustments as necessary using the ZeroStop feature.

Disposal Instructions

- Dispose of the riflescope in accordance with local regulations.
- If the riflescope is damaged or no longer functional, do not attempt to repair it yourself.
- Contact a professional for proper disposal methods to ensure environmental safety.

Contact Information for Further Support

For any further inquiries or support regarding your NX8 2.520X50MM F1 Rifle Scope, please refer to the manufacturer's contact information provided with your product.

By following these guidelines, you can ensure a safe and enjoyable experience with your NX8 2.520X50MM F1 Rifle Scope. Thank you for your attention to safety!
