

NX8 4-32X50MM F1 RIFLE SCOPES - NX8 4-32X50MM F1 FFP ILLUMINATED MIL-XT RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The NX8 4-32x50 F1 riflescope is a compact and capable long range riflescope. Building upon the legendary durability of the NXS family from Nightforce, the NX8 adds first focal plane performance with an 8x zoom range in a small package. This wide zoom range allows for fast engagements at close range along with the ability to detect, identify and engage targets at long range. Other features include the ZeroStop elevation adjustment for a rapid return to zero. The 50mm objective is optimized for resolution and light transmission, with a parallax adjustment coming as close as 11 yards. An integrated PTL (Power Throw Lever) makes power changes fast and easy. The compact size and incredible capability of the NX8 4-32x50 F1 makes it an instant favorite for nearly any rifle and intended use. 8x zoom range Red and Green Illumination 26 MRAD/90 MOA total Elevation 20 MRAD/70 MOA total Windage ED Glass Parallax from 11 yards to infinity ZeroStop for elevation Capped Windage

NX8 432X50MM F1 RIFLE SCOPES Safety Instruction Guide

Introduction

Thank you for choosing the NX8 432X50MM F1 Rifle Scope. This guide provides essential safety information and instructions to ensure the safe and effective use of your riflescope. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the NX8 432X50MM F1 by following all instructions and safety precautions.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** Extra caution is advised when this product is used by or around children. Ensure that children do not handle the riflescope.
- **EU Contact Point:** For safety inquiries, please refer to the contact provided by your retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Handling:** Always handle the riflescope with care. Avoid dropping or knocking it against hard surfaces.
- **Installation:** Ensure that the riflescope is properly mounted on the rifle before use. Refer to the installation instructions provided in this guide.
- **Optical Use:** Do not look directly at the sun through the riflescope as this can cause permanent eye damage.
- **Moisture Protection:** Avoid exposing the riflescope to extreme moisture or humidity. If it becomes wet, dry it immediately.
- **Storage:** Store the riflescope in a cool, dry place when not in use. Use a protective case to prevent damage.
- **Cleaning:** Use a soft, lintfree cloth to clean the lenses. Avoid using harsh chemicals or abrasive materials.

Instructions for Installation and Usage

Installation

1. Mounting the Scope:

- Ensure the rifle is unloaded before installation.
- Use the appropriate mounting rings for the 30mm tube size.
- Align the scope with the rifle's barrel and secure it firmly.
- Check that the scope is level and properly aligned.

2. Zeroing the Scope:

- After installation, zero the scope at a suitable distance (typically 100 yards).
- Use the ZeroStop elevation adjustment to achieve a rapid return to zero.

Usage

- **Adjusting Magnification:** Use the Power Throw Lever (PTL) to quickly adjust the magnification from 4x to 32x.
- **Illumination:** The NX8 432X50MM F1 features red and green illumination. Adjust the brightness according to your preference.
- **Parallax Adjustment:** Adjust the parallax setting for distances from 11 yards to infinity as needed.
- **Windage and Elevation:** Use the elevation and windage adjustments to finetune your aim.

Disposal Instructions

- **Environmental Considerations:** Dispose of the riflescope and any associated materials in accordance with local regulations.
- **Recycling:** If applicable, recycle components such as glass and metal according to local recycling programs.
- **Batteries:** Dispose of the CR2032 battery in accordance with local battery disposal regulations.

Contact Information for Further Support

For any questions or concerns regarding the NX8 432X50MM F1 Rifle Scope, please refer to the contact information provided by your retailer or manufacturer. Always ensure you have the latest product updates and safety information.

By following these safety instructions, you can ensure a safe and enjoyable experience with your NX8 432X50MM F1 Rifle Scope. Thank you for your attention to these important guidelines.
