

NX8 4-32X50MM F1 RIFLE SCOPES - NX8 4-32X50MM F1 FFP ILLUMINATED TREMOR 3 RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The NX8 4-32x50 F1 riflescope is a compact and capable long range riflescope. Building upon the legendary durability of the NXS family from Nightforce, the NX8 adds first focal plane performance with an 8x zoom range in a small package. This wide zoom range allows for fast engagements at close range along with the ability to detect, identify and engage targets at long range. Other features include the ZeroStop elevation adjustment for a rapid return to zero. The 50mm objective is optimized for resolution and light transmission, with a parallax adjustment coming as close as 11 yards. An integrated PTL (Power Throw Lever) makes power changes fast and easy. The compact size and incredible capability of the NX8 4-32x50 F1 makes it an instant favorite for nearly any rifle and intended use. 8x zoom range Red and Green Illumination 26 MRAD/90 MOA total Elevation 20 MRAD/70 MOA total Windage ED Glass Parallax from 11 yards to infinity ZeroStop for elevation Capped Windage

NX8 432X50MM F1 Rifle Scope Safety Instructions

Introduction

Thank you for choosing the NX8 432X50MM F1 Rifle Scope. This document provides essential safety instructions and guidelines to ensure the safe and effective use of your riflescope. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure the riflescope is used only for its intended purpose.
- Always handle the riflescope with care to avoid damage.
- Keep the riflescope out of reach of children and unauthorized users.
- Regularly inspect the riflescope for any signs of damage or wear.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the riflescope in accordance with the manufacturer's guidelines.
- Avoid using the riflescope in extreme weather conditions that may impair its function.
- Do not attempt to disassemble or modify the riflescope.
- Ensure that the riflescope is securely mounted to the firearm before use.
- Always check the zero before shooting to ensure accuracy.
- Use appropriate eye protection when looking through the riflescope.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation

1. Mounting the Scope:

- Select a suitable mounting base compatible with the NX8 432X50MM F1.
- Securely attach the scope rings to the mounting base.
- Place the riflescope in the rings and tighten the screws evenly to secure it in place.
- Ensure that the reticle is level with the firearm.

2. Adjusting the Eye Relief:

- Position the riflescope so that the eye relief is comfortable for your shooting position.
- The recommended eye relief is approximately 3.40 inches.

3. Zeroing the Scope:

- At a safe distance, fire a group of shots to establish a baseline.
- Adjust the turrets according to the impact of the shots to bring the point of aim in line with the point of impact.

Usage

• Adjusting Magnification:

- Use the Power Throw Lever (PTL) to quickly change magnification settings.

- Rotate the lever to adjust the zoom from 4x to 32x.

- **Elevation and Windage Adjustments:**

- Use the ZeroStop feature for rapid return to zero.
- Adjust elevation and windage settings as needed for accurate shooting.

- **Illumination Settings:**

- Activate the red or green illumination feature for better visibility in low light conditions.

Disposal Instructions

- Dispose of the NX8 432X50MM F1 Rifle Scope in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for specific disposal guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's customer service or your local authorized dealer.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your NX8 432X50MM F1 Rifle Scope. Thank you for your attention to safety.
