ATACR 18X24MM FFP FCDM Reticle Safety Instruction Guide

Introduction

Thank you for choosing the Nightforce Optics ATACR 18x24mm Scope. This product is designed to provide exceptional performance and reliability for your shooting needs. To ensure safe and effective use, please read this safety instruction guide carefully. It outlines important safety guidelines, precautions, and instructions for installation and usage in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ATACR Scope by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about product recalls. If a recall occurs, you will be notified through standardized notices.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, especially children.
- **EU Contact Point:** For safety inquiries, you can reach out to the designated EU contact point for this product.
- **Rapid Alerts:** Be aware of the EU Safety Gate system for updates on unsafe products.

Specific Safety Precautions for Use

- **Proper Handling:** Always handle the scope with care. Avoid dropping or impacting the product, as this may cause damage.
- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with this scope.
- **Environment:** Use the scope only in environments for which it is designed. Avoid exposing it to extreme temperatures, moisture, or corrosive substances.
- **Battery Safety:** Ensure the CR2032 battery is installed correctly. Replace batteries only with the specified type to avoid risk of leakage or damage.
- **Child Safety:** Keep the scope and its components out of reach of children to prevent accidents or injuries.

Instructions for Installation and Usage

Installation

1. Mounting the Scope:

- Select a suitable mounting location on your rifle.
- Use the provided mounting rings to securely attach the scope to the rifle.
- Ensure that the scope is level and aligned with the barrel.

2. Adjusting the Reticle:

- After installation, check the reticle alignment and adjust if necessary using the lowprofile adjustment turrets.

3. Battery Installation:

- Open the battery compartment and insert the CR2032 battery, ensuring the correct polarity is

observed.

Usage

- **Magnification Adjustment:** Use the Integrated Power Throw Lever to quickly change magnification settings as needed.
- **Target Acquisition:** Utilize the true 1X magnification for rapid target acquisition at close range.
- **Illumination:** Activate the illuminated reticle for enhanced visibility in lowlight conditions.

Disposal Instructions

- **Battery Disposal:** Dispose of used batteries in accordance with local regulations for battery disposal. Do not throw batteries in household waste.
- **Product Disposal:** When the scope reaches the end of its life, dispose of it responsibly. Check local regulations regarding electronic waste disposal.

Contact Information for Further Support

For further support, including safety inquiries or product assistance, please refer to the designated contact point provided by the manufacturer. Ensure that you have your product details and purchase information ready for a quicker response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Nightforce Optics ATACR 18x24mm Scope. Thank you for your attention to these important safety guidelines.
