

ATACR 4-20X50MM FFP RIFLE SCOPES - ATACR 4-20X50MM FFP ILLUMINATED MOAR RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The Nightforce ATACR 4-20x50mm F1 fills an important magnification range in the ATACR line. Equally at home atop a bolt action or a semi-automatic rifle, the 4-20x50 F1 is smaller and lighter than the 5-25x56 F1 while offering a 25% improvement in magnification over the 4-16x42 F1. With Digillum, a ZeroStop turret, power throw lever, ED lenses, and 20x max magnification, the ATACR 4-20x50 F1 is their apex mid-power scope. If there is such a thing as a "professional" riflescope, it is an ATACR™. They are designed for military, law enforcement, hunters, and other tactical professionals... and for those who simply want to shoot like a professional. An ATACR™ riflescope is the combination of the finest materials, engineering expertise, mechanical reliability and optical performance available today. Simply put, there is no expense spared, no detail overlooked in building a Nightforce ATACR™. They are the basis for Nightforces' Mil-Spec riflescopes, currently in use by several branches of the U.S. Military and allies around the world. All ATACR™ riflescopes feature ED glass, which produces brilliant images, superb color contrast, and exceptional resolving power-allowing you to distinguish the smallest targets at extreme distances. Features: Digillum Illumination, ZeroStop, PTL (Power Throw Lever) Compact 13.9" Overall Length 130 MOA/38 MRAD of total Elevation Adjustment Parallax from 11 yards to Infinity First Focal Plane reticles

Attributes

- Name: [ATACR 4-20X50MM FFP ILLUMINATED MOAR RETICLE BLACK](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 524000293
- Mfr. No.: C642
- Battery: CR-2032
- Click Value: 1/4 MOA
- Click Value: 1/4 MOA
- Eye Relief: 3.50"
- Finish: Black
- Focal Plane: First
- Illumination: Yes
- Length: 13.9"
- Max Magnification: 20x
- Min. Magnification: 4x
- Model Number: ATACR 4
- Objective Size: 50mm
- Reticle: MOAR
- Tube Size: 34mm
- Weight: 35.2 oz
- Delivery weight: 1.606kg
- Shipping height: 152mm
- Shipping width: 140mm
- Shipping length: 584mm
- UPC: 847362019536

Item details

Made in USA

This product contains a battery.

Safety Instruction Guide for Nightforce ATACR 420X50MM FFP Rifle Scope

Introduction

Thank you for choosing the Nightforce ATACR 420X50MM FFP Rifle Scope. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the rifle scope.

General Safety Guidelines

- Ensure that the rifle scope is used only for its intended purpose.
- Always handle the rifle scope with care to prevent damage.
- Keep the rifle scope out of reach of children and vulnerable individuals.
- Regularly inspect the rifle scope for any signs of damage or wear.
- If you notice any damage, do not use the rifle scope and contact a qualified professional for assistance.
- Follow all local laws and regulations regarding the use of firearms and rifle scopes.
- Be aware of your surroundings and ensure a safe environment when using the rifle scope.

Specific Safety Precautions for Use

- Always ensure that the rifle is unloaded before attaching or detaching the rifle scope.
- Use the rifle scope in a safe and controlled environment, away from others.
- Do not look directly at the sun or any bright light source through the rifle scope, as this may cause permanent eye damage.
- Ensure that the rifle scope is properly mounted and securely fastened before use.
- Adjust the magnification and focus settings only when the rifle is in a safe position.
- Be mindful of recoil when firing, as it may affect the stability of the rifle scope.
- Store the rifle scope in a cool, dry place when not in use to prevent moisture damage.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have all necessary tools and components before beginning installation.
- Carefully read the manufacturer's instructions provided with the rifle scope.
- Mount the rifle scope securely to the rifle using the appropriate rings and bases.
- Ensure that the scope is level and aligned with the rifle barrel.
- Tighten all screws and fasteners according to the manufacturer's specifications.

2. Usage:

- Before using the rifle scope, adjust the eye relief to ensure a comfortable viewing position.
- Set the magnification to the desired level using the power throw lever.
- Use the parallax adjustment to ensure a clear image at the target distance.
- Familiarize yourself with the reticle and its markings for accurate aiming.
- Always check your surroundings before taking a shot.

Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations for electronic waste.
- Do not dispose of the rifle scope in regular household waste.
- If the rifle scope contains batteries, ensure they are removed and disposed of properly.

- Contact local waste management authorities for guidance on disposal options.

Contact Information for Further Support

For any questions or concerns regarding the Nightforce ATACR 420X50MM FFP Rifle Scope, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the Nightforce ATACR rifle scope.
