

ATACR 4-20X50MM FFP RIFLE SCOPES - ATACR 4-20X50MM FFP ILLUMINATED MIL-C RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The Nightforce ATACR 4-20x50mm F1 fills an important magnification range in the ATACR line. Equally at home atop a bolt action or a semi-automatic rifle, the 4-20x50 F1 is smaller and lighter than the 5-25x56 F1 while offering a 25% improvement in magnification over the 4-16x42 F1. With Digillum, a ZeroStop turret, power throw lever, ED lenses, and 20x max magnification, the ATACR 4-20x50 F1 is their apex mid-power scope. If there is such a thing as a "professional" riflescope, it is an ATACR™. They are designed for military, law enforcement, hunters, and other tactical professionals... and for those who simply want to shoot like a professional. An ATACR™ riflescope is the combination of the finest materials, engineering expertise, mechanical reliability and optical performance available today. Simply put, there is no expense spared, no detail overlooked in building a Nightforce ATACR™. They are the basis for Nightforces' Mil-Spec riflescopes, currently in use by several branches of the U.S. Military and allies around the world. All ATACR™ riflescopes feature ED glass, which produces brilliant images, superb color contrast, and exceptional resolving power-allowing you to distinguish the smallest targets at extreme distances. Features: Digillum Illumination, ZeroStop, PTL (Power Throw Lever) Compact 13.9" Overall Length 130 MOA/38 MRAD of total Elevation Adjustment Parallax from 11 yards to Infinity First Focal Plane reticles

Attributes

- Name: [ATACR 4-20X50MM FFP ILLUMINATED MIL-C RETICLE BLACK](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 524000294
- Mfr. No.: C643
- Battery: CR-2032
- Click Value: 0.1 MRAD
- Click Value: 0.1 MRAD
- Eye Relief: 3.50"
- Finish: Black
- Focal Plane: First
- Illumination: Yes
- Length: 13.9"
- Max Magnification: 20x
- Min. Magnification: 4x
- Model Number: ATACR 4
- Objective Size: 50mm
- Reticle: Mil-C
- Tube Size: 34mm
- Weight: 35.2 oz
- Delivery weight: 1.669kg
- Shipping height: 140mm
- Shipping width: 152mm
- Shipping length: 584mm
- UPC: 847362019543

Item details

Made in USA

This product contains a battery.

Safety Instruction Guide for Nightforce ATACR 420X50MM FFP Rifle Scope

Introduction

Thank you for choosing the Nightforce ATACR 420X50MM FFP Rifle Scope. This guide provides essential safety instructions and guidelines for the safe use, installation, and disposal of this product. Please read this manual carefully to ensure safe and effective operation.

General Safety Guidelines

- Ensure that the product complies with all applicable safety standards.
- Always handle the rifle scope with care to prevent damage.
- Keep the scope and all accessories out of reach of children and vulnerable individuals.
- Regularly check the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents related to the product to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Handling:** Always handle the scope with clean hands and avoid touching the lenses to maintain optical clarity.
- **Mounting:** Ensure the scope is securely mounted on the rifle according to the manufacturer's instructions.
- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with this scope.
- **Environmental Considerations:** Avoid exposing the scope to extreme temperatures, moisture, or direct sunlight for prolonged periods.
- **Storage:** Store the scope in a cool, dry place, preferably in a protective case when not in use.
- **Use of Illumination:** Be cautious when using the illumination feature; do not look directly into the light source.

Instructions for Installation and Usage

1. Installation:

- Follow the manufacturer's guidelines for mounting the scope onto your rifle.
- Use the appropriate tools to secure the scope in place, ensuring it is level and aligned with the barrel.
- Check that all screws and mounts are tightened before use.

2. Usage:

- Adjust the magnification according to your shooting needs, using the power throw lever for ease of adjustment.
- Set the parallax adjustment to match the distance of your target for optimal accuracy.
- Use the ZeroStop feature to quickly return to your zero setting after making adjustments.
- Always ensure the safety of the firearm is engaged until you are ready to shoot.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Remove batteries and dispose of them separately in designated recycling bins.
- Do not dispose of the scope in regular household waste.

Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the manufacturer's customer service resources. Ensure you have your product details available for assistance.

Thank you for your attention to these safety guidelines. We hope you enjoy using your Nightforce ATACR 420X50MM FFP Rifle Scope safely and effectively.
