

ATACR 4-20X50MM FFP RIFLE SCOPES - ATACR 4-20X50MM FFP ILLUMINATED HORUS TREMOR 3 RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The Nightforce ATACR 4-20x50mm F1 fills an important magnification range in the ATACR line. Equally at home atop a bolt action or a semi-automatic rifle, the 4-20x50 F1 is smaller and lighter than the 5-25x56 F1 while offering a 25% improvement in magnification over the 4-16x42 F1. With Digillum, a ZeroStop turret, power throw lever, ED lenses, and 20x max magnification, the ATACR 4-20x50 F1 is their apex mid-power scope. If there is such a thing as a "professional" riflescope, it is an ATACR™. They are designed for military, law enforcement, hunters, and other tactical professionals... and for those who simply want to shoot like a professional. An ATACR™ riflescope is the combination of the finest materials, engineering expertise, mechanical reliability and optical performance available today. Simply put, there is no expense spared, no detail overlooked in building a Nightforce ATACR™. They are the basis for Nightforces' Mil-Spec riflescopes, currently in use by several branches of the U.S. Military and allies around the world. All ATACR™ riflescopes feature ED glass, which produces brilliant images, superb color contrast, and exceptional resolving power-allowing you to distinguish the smallest targets at extreme distances. Features: Digillum Illumination, ZeroStop, PTL (Power Throw Lever) Compact 13.9" Overall Length 130 MOA/38 MRAD of total Elevation Adjustment Parallax from 11 yards to Infinity First Focal Plane reticles

Attributes

- Name: [ATACR 4-20X50MM FFP ILLUMINATED HORUS TREMOR 3 RETICLE BLACK](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 524000296
- Mfr. No.: C637
- Battery: CR-2032
- Click Value: 0.1 MRAD
- Click Value: 0.1 MRAD
- Eye Relief: 3.50"
- Finish: Black
- Focal Plane: First
- Illumination: Yes
- Length: 13.9"
- Max Magnification: 20x
- Min. Magnification: 4x
- Model Number: ATACR 4
- Objective Size: 50mm
- Reticle: Tremor 3
- Tube Size: 34mm
- Weight: 35.2 oz
- Delivery weight: 1.66kg
- Shipping height: 140mm
- Shipping width: 152mm
- Shipping length: 584mm
- UPC: 847362017969

Item details

Made in USA

This product contains a battery.

Safety Instruction Guide for Nightforce ATACR 420X50MM FFP Rifle Scopes

Introduction

Thank you for choosing the Nightforce ATACR 420x50mm FFP Rifle Scope. This guide provides essential safety instructions and guidelines to ensure your safe and effective use of this product. Please read this document carefully before using the scope.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of the ATACR Rifle Scope by following the instructions provided. This product is designed for use by military, law enforcement, hunters, and tactical professionals.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to the product. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements. Verify the safety information provided with your purchase.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored safely out of reach of minors.
- **EU Contact Point:** For any safety inquiries, consult the relevant EU contact point or authority.
- **Rapid Alerts:** Regularly check for updates on the EU Safety Gate platform for information on unsafe products.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use may lead to accidents or injuries.
 - Ensure that the scope is mounted securely to avoid detachment during use.
- **Avoiding Hazards:**
 - Do not use the scope while under the influence of drugs or alcohol.
 - Always ensure your target and surroundings are clear before using the scope.
 - Handle the scope with care to prevent damage to the optical components.
- **Age Specific Warnings:**
 - This product is intended for adult users. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that the rifle is unloaded and pointed in a safe direction.
 2. Mount the ATACR scope securely on the rifle using appropriate rings or mounts.
 3. Align the scope with the rifle's barrel for optimal accuracy.
 4. Tighten all mounting screws to the manufacturer's specifications.
- **Usage:**
 - Adjust the magnification level according to your shooting needs (4x to 20x).
 - Use the Digillum feature for illumination in lowlight conditions.
 - Adjust the ZeroStop turret for accurate elevation adjustments.
 - Maintain a proper eye relief of 3.50 inches to avoid injury.
 - Ensure parallax is adjusted from 11 yards to infinity for optimal focus.

Disposal Instructions

- **Disposal:**
 - Dispose of packaging materials responsibly by recycling where possible.

- If the scope is damaged beyond repair, check local regulations for proper disposal methods.
- Do not dispose of electronic components in regular waste. Follow local guidelines for electronic waste disposal.

Contact Information for Further Support

For questions or concerns regarding the safety and usage of the Nightforce ATACR 420x50mm FFP Rifle Scope, please consult the relevant authorities or your point of purchase for assistance.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy your Nightforce ATACR Rifle Scope responsibly.
