

ATACR 5-25X56MM F1 FFP RIFLE SCOPES - ATACR 5-25X56MM F1 FFP ILLUMINATED TREMOR 3 RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Without a doubt, this could be called the perfect all-around long range riflescope. The ATACR 5-25x56 F1 is packed full of features that might make some grown men cry. The ED optics are beautiful, the mechanics sound. The adjustments are standard with the patented Nightforce Hi-Speed ZeroStop, and available in .1 Mrad (12 Mils per revolution) or .25 MOA (30 MOA per revolution) increments. A capped windage adjustment helps prevent accidental adjustment in the field. The parallax adjustment is marked with approximate numbered distances and is coupled with DigIllum digital reticle illumination. The eyepiece features enhanced engraving, an integrated Power Throw Lever (PTL) and an XtremeSpeed thread for making a fast diopter adjustment. All of these features are paired with intelligent, Nightforce F1 reticles to set a new standard in long range shooting. If there's something this riflescope can't do, we have yet to find it.

Attributes

- Name: [ATACR 5-25X56MM F1 FFP ILLUMINATED TREMOR 3 RETICLE BLACK](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 524000304
- Mfr. No.: C574
- Battery: CR-2032
- Click Value: 0.1 MRAD
- Click Value: 0.1 MRAD
- Eye Relief: 3.40",3.50"
- Finish: Matte Black
- Focal Plane: First
- Illumination: Yes
- Length: 12.6"
- Max Magnification: 25x
- Min. Magnification: 5x
- Model Number: ATACR
- Objective Size: 56mm
- Reticle: Tremor 3
- Tube Size: 34mm
- Weight: 38.0 oz
- Delivery weight: 1.837kg
- Shipping height: 152mm
- Shipping width: 133mm
- Shipping length: 584mm
- UPC: 847362014647

Item details

Made in USA

This product contains a battery.

US export classification: 0A504.a

Safety Instruction Guide for ATACR 525X56MM F1 FFP Rifle Scope

Introduction

Thank you for choosing the ATACR 525X56MM F1 FFP Rifle Scope. This guide provides essential safety information and instructions to ensure safe and effective use of your riflescope. Please read this guide carefully before use to understand the safety precautions and operational guidelines.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the riflescope with care to avoid damage.
- Keep the riflescope out of reach of children and vulnerable individuals.
- Regularly inspect the riflescope for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearms and optics.

Specific Safety Precautions for Use

- **Handling:** Always handle the riflescope with clean hands. Avoid touching the lenses with fingers to prevent smudging and scratching.
- **Mounting:** Ensure that the riflescope is securely mounted to the firearm using appropriate mounting hardware. Follow the manufacturer's guidelines for proper installation.
- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with a riflescope.
- **Environmental Conditions:** Avoid exposing the riflescope to extreme temperatures, moisture, or direct sunlight for prolonged periods. This can affect the performance and longevity of the product.
- **Illumination:** Use the digital reticle illumination feature responsibly. Ensure that the illumination settings are appropriate for the lighting conditions to avoid distraction or disorientation.

Instructions for Installation and Usage

1. Installation:

- Select a suitable mounting location on your firearm.
- Use the appropriate tools to securely attach the riflescope to the mounting base.
- Ensure that the riflescope is aligned properly for optimal accuracy.

2. Adjustments:

- Familiarize yourself with the adjustment controls for windage, elevation, and parallax.
- Make adjustments slowly and carefully, ensuring that the settings are accurate before use.

3. Usage:

- Before shooting, ensure that the riflescope is properly zeroed.
- Regularly check and adjust the focus and parallax settings as needed for clarity.
- When using the illumination feature, adjust the brightness according to your environment.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Remove batteries before disposal and recycle them according to local guidelines.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For safety inquiries or additional support regarding your ATACR 525X56MM F1 FFP Rifle Scope, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's official website.

By following these guidelines, you can ensure a safe and enjoyable experience with your ATACR 525X56MM F1 FFP Rifle Scope. Thank you for your attention to safety.
