## Helps You Attain the Full Potential of Your Rifle / Cartridge Combo

Think of the Nightforce ATACR 7-35x56mm F1 as the long-range riflescope that doesn't give you tunnel vision. This powerful version of the Advanced TACTical Riflescope offers an unusually wide field of view across its extensive magnification range, so the target is both easy to find and easy to hit, even when you need to dial up the magnification. The ATACR 7-35x56mm F1 scope has a first focal plane (F1) reticle that ensures pin-point ranging calculations and fast hold-off adjustments. Nightforce's fully multicoated, low-dispersion ED glass delivers more than 90% light transmission, crisp images, excellent contrast, and outstanding color. Parallax adjustment down to 10 meters ZeroStop™ elevation adjustment for quick return-to-zero without counting clicks or looking at the turret DigIllum Illuminated reticle Built-in Power Throw Lever (PTL) for fast magnification changes 34mm tube gives you 20% more elevation travel than a 30mm tube With its industry-leading ATACR optics and an easy-to-operate suite of controls, the Nightforce ATACR 7-35x56mm F1 enables you to address close-in targets as well as those at the limits of your rifle and cartridge. Whether your game is extreme long-range shooting or PRS (Precision Rifle Series) - ATACR 7-35x56mm F1 set you up to win at both.

# Consumer Safety Instructions for the Nightforce ATACR 735X56MM F1 Rifle Scope

## Introduction

Thank you for choosing the Nightforce ATACR 735x56mm F1 Rifle Scope. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully to understand how to use the scope safely and effectively.

## General Safety Guidelines

- **Product Safety:** The Nightforce ATACR riflescope is designed to be safe for use. However, it is important to follow safety guidelines to prevent accidents.
- **Enhanced Recalls:** In the unlikely event of a safety recall, you will be notified through standardized recall notices. Ensure you stay informed about any updates regarding your product.
- **Online Shopping:** If purchased online, the same safety protections apply as if purchased in a physical store. Always ensure your online retailer complies with safety regulations.
- **Special Consumer Focus:** Extra precautions should be taken if the product is used by children or vulnerable individuals. Always supervise their use.
- **EU Contact Point:** For any safety inquiries, a contact point in the EU is available to assist you.
- **Rapid Alerts:** Stay updated on potential safety issues through the EU Safety Gate system, which provides rapid alerts on unsafe products.

## Specific Safety Precautions for Use

- **Avoid Eye Injury:** Always use the scope with proper eye protection. Do not look directly into the sun through the scope.
- **Secure Mounting:** Ensure the scope is securely mounted to your rifle to prevent it from becoming loose during use.
- **Check for Damage:** Before each use, inspect the scope for any signs of damage. Do not use if damaged.
- **Proper Handling:** Always handle the rifle and scope responsibly. Treat every firearm as if it is loaded.
- **Environmental Considerations:** Avoid using the scope in extreme weather conditions that may affect performance, such as heavy rain or snow.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable mounting location on your rifle.
- Use the provided mounting rings to secure the scope to the rifle.
- Ensure that the scope is level and aligned with the rifle barrel.
- Tighten the mounting screws securely but avoid overtightening, which may damage the scope.

### 2. Zeroing the Scope:

- Use a stable shooting platform to zero the scope.
- Adjust the elevation and windage turrets according to the manufacturer's instructions.
- Confirm zero at the desired distance before engaging in shooting activities.

### 3. Using the Scope:

- Adjust the magnification using the Power Throw Lever (PTL) for quick changes.
- Use the illuminated reticle feature as needed, ensuring the battery is properly installed.

- Be aware of parallax adjustment; set it according to the distance of your target for optimal accuracy.

#### 4. **Maintenance:**

- Clean the lenses with a soft cloth to avoid scratches.
- Store the scope in a protective case when not in use.
- Regularly check the battery for the illuminated reticle and replace as necessary.

## **Disposal Instructions**

- **Responsible Disposal:** When the product has reached the end of its life, dispose of it responsibly. Follow local regulations for electronic waste and hazardous materials.
- **Battery Disposal:** Dispose of batteries according to local regulations. Do not throw batteries in regular trash.

## **Contact Information for Further Support**

For any questions or concerns regarding the Nightforce ATACR 735x56mm F1 Rifle Scope, please refer to the customer support resources provided by the retailer or manufacturer.

By following these safety instructions, you can enjoy the full benefits of your Nightforce ATACR 735x56mm F1 Rifle Scope while ensuring a safe shooting experience. Thank you for your attention to these important safety guidelines.
