## Helps You Attain the Full Potential of Your Rifle / Cartridge Combo

Think of the Nightforce ATACR 7-35x56mm F1 as the long-range riflescope that doesn't give you tunnel vision. This powerful version of the Advanced TACTical Riflescope offers an unusually wide field of view across its extensive magnification range, so the target is both easy to find and easy to hit, even when you need to dial up the magnification. The ATACR 7-35x56mm F1 scope has a first focal plane (F1) reticle that ensures pin-point ranging calculations and fast hold-off adjustments. Nightforce's fully multicoated, low-dispersion ED glass delivers more than 90% light transmission, crisp images, excellent contrast, and outstanding color. Parallax adjustment down to 10 meters ZeroStop™ elevation adjustment for quick return-to-zero without counting clicks or looking at the turret DigIllum Illuminated reticle Built-in Power Throw Lever (PTL) for fast magnification changes 34mm tube gives you 20% more elevation travel than a 30mm tube With its industry-leading ATACR optics and an easy-to-operate suite of controls, the Nightforce ATACR 7-35x56mm F1 enables you to address close-in targets as well as those at the limits of your rifle and cartridge. Whether your game is extreme long-range shooting or PRS (Precision Rifle Series) - ATACR 7-35x56mm F1 set you up to win at both.

# Safety Instruction Guide for Nightforce ATACR 735X56MM F1 Rifle Scope

## Introduction

Thank you for choosing the Nightforce ATACR 735X56MM F1 Rifle Scope. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully to understand how to operate and maintain your scope safely.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a riflescope.
- Regularly inspect the scope for signs of damage or wear. Do not use if damaged.
- Keep the scope out of reach of children and unauthorized users.
- Always handle the scope with care to prevent accidental drops or impacts.
- Be aware of your surroundings when using the scope, especially in outdoor settings.
- Follow all local laws and regulations regarding the use of firearms and optics.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with this scope.
- **Mounting:** Ensure the scope is securely mounted to the rifle before use. Loose mounts can lead to misalignment and potential accidents.
- **Magnification Changes:** Adjust magnification only when the firearm is pointed in a safe direction.
- **Reticle Illumination:** Use the illuminated reticle feature responsibly to avoid distractions or misjudgments during aiming.
- **Parallax Adjustment:** Make sure to adjust the parallax to suit your shooting distance for accurate aiming.
- **Zeroing the Scope:** Follow proper procedures for zeroing the scope to ensure accuracy and safety during shooting.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable mounting base compatible with the 34mm tube of the scope.
- Securely attach the scope to the rifle using the provided mounting rings.
- Ensure the scope is level and aligned with the rifle barrel.
- Tighten the mounting screws according to the manufacturer's specifications.

### 2. Usage:

- Before using the scope, familiarize yourself with its features and controls.
- Adjust the magnification by using the Power Throw Lever (PTL) for quick changes as needed.
- Use the parallax adjustment knob to set the focus based on your shooting distance.
- Utilize the ZeroStop™ elevation adjustment to easily return to your zero setting without counting clicks.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Remove the battery (CR2032) before disposal to ensure safe handling.
- Do not dispose of the scope or its components in regular household waste.

## **Contact Information for Further Support**

For safety inquiries or support regarding the Nightforce ATACR 735X56MM F1 Rifle Scope, please consult the manufacturer's website or your local retailer for assistance.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Nightforce ATACR 735X56MM F1 Rifle Scope. Always prioritize safety and responsibility when handling firearms and optics. Thank you for your attention to these important details.
