

34MM X-TREME DUTY ULTRALITE 1-PIECE COMPACT MAGMOUNT - 34MM 20 MOA ULTRALITE MAGMOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

The Nightforce X-Treme Duty Ultralite 1-Piece MagMount adds a third crossbolt for even greater protection against recoil. The Nightforce X-Treme Duty Ultralite 1-Piece MagMount adds to the tough and reliable Nightforce Xtreme-Duty Ultralite Unimount and Magmount mounting systems, with titanium/aluminum construction providing the performance of steel at half the weight. The Compact Magmount requires less rail space than the traditional Magmount, and is available to fit 34mm riflescope tubes. Machined from heavy-duty aluminum Matte-black finish Height: 1.5 inches Fits standard Picatinny rails Options available for the Nightforce X-Treme Duty Ultralite 1-Piece MagMount include both zero and 20 MOA of taper.

Safety Instruction Guide for Nightforce XTreme Duty Ultralite 1Piece Compact MagMount

Introduction

Thank you for choosing the Nightforce XTreme Duty Ultralite 1Piece Compact MagMount. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

To ensure your safety and the proper functioning of the MagMount, please adhere to the following guidelines:

- Always use the MagMount as intended and according to the manufacturer's specifications.
- Inspect the product before each use for signs of wear, damage, or defects.
- Keep the MagMount away from children and vulnerable individuals.
- Use appropriate tools and equipment when installing the MagMount.
- Follow all local laws and regulations regarding firearm accessories and usage.

Specific Safety Precautions for Use

When using the Nightforce XTreme Duty Ultralite 1Piece Compact MagMount, consider the following precautions:

- Ensure that your rifle scope is compatible with the 34mm tube diameter of the MagMount.
- Check that the Picatinny rail on your firearm is clean and free of obstructions before installation.
- Do not exceed the manufacturer's recommended weight limit for your rifle scope.
- Always secure the MagMount tightly to prevent any movement during use.
- Avoid using the MagMount in extreme weather conditions that may affect its performance.

Instructions for Installation and Usage

Follow these steps to install and use the Nightforce XTreme Duty Ultralite 1Piece Compact MagMount safely:

1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that the workspace is clean and welllit.

2. Installation

- Place the MagMount on the Picatinny rail of your firearm.
- Align the MagMount properly to ensure a secure fit.
- Use the provided screws to attach the MagMount to the rail. Do not overtighten, as this may damage the product.
- If applicable, adjust the crossbolt to secure the MagMount further.

3. Scope Attachment

- Carefully attach your 34mm riflescope to the MagMount.
- Ensure that the scope is level and aligned with the rifle.
- Tighten the scope rings according to the manufacturer's specifications.

4. Final Checks

- Verify that all components are securely attached before use.
- Conduct a final inspection of the installation to ensure safety.

5. Usage

- When using your firearm with the MagMount, maintain proper shooting posture and follow all firearm safety protocols.
- Regularly check the MagMount for any signs of wear or loosening during use.

Disposal Instructions

When it comes time to dispose of the Nightforce XTreme Duty Ultralite 1Piece Compact MagMount, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check for local regulations regarding the disposal of aluminum and other materials used in the MagMount.
- If the product is damaged or no longer usable, consider recycling the materials according to local recycling programs.

Contact Information for Further Support

For any questions regarding safety, installation, or usage of the Nightforce XTreme Duty Ultralite 1Piece Compact MagMount, please consult the manufacturer's website or contact their customer support.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe use of the Nightforce XTreme Duty Ultralite 1Piece Compact MagMount. Your safety is our priority, and we appreciate your commitment to responsible firearm usage.
