

# HS 700 SHORT ACTION X-TREME DUTY 1-PIECE SCOPE BASE - REMINGTON 700 SHORT ACTION SCOPE BASE 20 MOA 8-40

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The Nightforce Remington 700 X-Treme Duty Scope Base features an integral recoil lug machined on the bottom of the base, which provides a precise fit when bedded to rifle actions, preventing any movement of the base or recoil stress on screws holding the base to the receiver. The Nightforce Remington 700 X-Treme Duty Scope Base is machined to exact Picatinny specification rail dimensions. This design allows the same scope to be used on several different rifles, always optimizing eye relief. A 20 Minute of Angle (MOA) taper is standard, with a 40 MOA taper offered for Remington 700 bases. Machined from steel Matte-black finish Built for short-action rifles Designed for right-or left-hand actions, the Nightforce Remington 700 X-Treme Duty Scope Base will never interfere with loading or extraction.

## Attributes

# HS 700 Short Action XTreme Duty 1Piece Scope Base Safety Instructions

## Introduction

Thank you for choosing the HS 700 Short Action XTreme Duty 1Piece Scope Base. This product is designed for use with Remington 700 short action rifles and is built to enhance your shooting experience. Please read this safety instruction guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the scope base is compatible with your rifle model before installation.
- Regularly inspect the scope base for signs of wear or damage.
- Store the scope base and rifle in a secure location, away from children and unauthorized users.
- Follow all safety guidelines provided by the firearm manufacturer.

## Specific Safety Precautions for Use

- **Installation:** Ensure that the scope base is installed correctly to avoid any movement during use.
- **Recoil:** The integral recoil lug is designed to minimize movement; however, always check that the base is secured before use.
- **Loading and Extraction:** This scope base is designed to not interfere with loading or extraction; however, always verify functionality before use.
- **Eye Relief:** Adjust the scope for optimal eye relief to prevent injury from recoil.
- **Screws:** Use only the recommended 840 screws for installation to ensure a secure fit.

## Instructions for Installation and Usage

### 1. Tools Required:

- Appropriate screwdriver for 840 screws.
- Torque wrench for proper screw tension.

### 2. Installation Steps:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove any existing scope base from the rifle.
- Align the HS 700 Short Action XTreme Duty Scope Base with the mounting holes on the rifle receiver.
- Insert the 840 screws into the mounting holes and handtighten.
- Using a torque wrench, tighten the screws to the manufacturer's specifications to ensure a secure fit.
- Check for proper alignment and ensure that the base is firmly attached.

### 3. Usage:

- Mount your scope onto the installed base following the scope manufacturer's instructions.
- Check the alignment and eye relief before taking the rifle to the range.
- Regularly check the tightness of the screws, especially after heavy use.

## **Disposal Instructions**

- Dispose of the scope base according to local regulations.
- If the product is damaged or no longer in use, do not discard it in regular waste. Instead, contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please reach out to your local retailer or the manufacturer directly. It is important to have a contact point for any safety concerns.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your HS 700 Short Action XTreme Duty 1Piece Scope Base. Thank you for prioritizing safety in your shooting activities.
