# FOB Lens Cloth Safety Instruction Guide

## Introduction

Thank you for choosing the Nightforce Optics Fob Lens Cloth. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read the following information carefully to maximize your safety and the longevity of your lens cloth.

## General Safety Guidelines

- Ensure the lens cloth is kept in a clean, dry place when not in use to maintain its effectiveness.
- Regularly inspect the lens cloth for any signs of damage or wear. If the cloth is damaged, discontinue use.
- Avoid exposing the lens cloth to extreme temperatures or direct sunlight for prolonged periods.
- Do not use the lens cloth on surfaces that are not intended for lens cleaning.
- Keep the lens cloth out of reach of small children and pets to prevent accidental ingestion or misuse.

## Specific Safety Precautions for Use

- Only use the lens cloth for cleaning optical surfaces such as camera lenses, binoculars, and glasses.
- Avoid using the lens cloth on dirty or abrasive surfaces; this may scratch or damage the lens.
- If the lens cloth becomes heavily soiled, wash it according to the care instructions provided by the manufacturer.
- Do not use any cleaning solutions or chemicals with the lens cloth unless specifically recommended.

## Instructions for Installation and Usage

### 1. Using the Lens Cloth:

- Remove the lens cloth from its carrying bag.
- Hold the lens cloth by the edges to avoid transferring oils from your fingers to the cleaning surface.
- Gently wipe the optical surface in a circular motion to remove dust and smudges.
- For stubborn marks, repeat the process until the surface is clean.

### 2. Carrying and Storage:

- Store the lens cloth in its carrying bag to protect it from dust and dirt when not in use.
- Use the clip on the carrying bag to attach it to your bag or belt for easy access.

### 3. Cleaning the Lens Cloth:

- If the lens cloth requires cleaning, hand wash it in lukewarm water with mild detergent.
- Rinse thoroughly and air dry completely before storing it again.

## Disposal Instructions

- When the lens cloth reaches the end of its useful life, dispose of it in accordance with local waste management regulations.
- Do not dispose of the lens cloth in a manner that could harm the environment.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Nightforce Optics Fob Lens Cloth, please refer to the product packaging for the appropriate contact information.

By following these guidelines, you can ensure the safe use of your Nightforce Optics Fob Lens Cloth. Thank you for your attention to these important safety instructions.
