# CLAMPON POWER THROW LEVER FOR ATACR & SHV SCOPES 14X, 20X Safety Instruction Guide

## Introduction

Thank you for choosing the Nightforce Optics Power Throw Lever designed for ATACR and SHV scopes. This guide provides essential safety information, installation instructions, and usage guidelines to ensure your safety while using the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this guide.
- Always handle the scope and lever with care to avoid damage or injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the Power Throw Lever with compatible Nightforce ATACR and SHV scopes.
- Ensure the lever is securely clamped before use to prevent accidental dislodging during operation.
- Avoid using excessive force when adjusting the lever to prevent damage.
- Do not modify the product in any way, as this may compromise safety and functionality.
- Be aware of your surroundings while using the scope to avoid accidents.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Required Tools:** Ensure you have the necessary tools for installation (typically a small screwdriver may be needed).
2. **Position the Lever:** Align the Power Throw Lever with the designated area on the scope.
3. **Clamp the Lever:**
  - Open the clamp mechanism.
  - Position the lever on the scope.
  - Tighten the clamp securely, ensuring it is snug but not overly tight to avoid damaging the scope.
4. **Check Security:** Gently pull on the lever to ensure it is securely attached before using it.

### Usage Instructions

1. **Adjusting Magnification:**
  - Use the lever to change magnification settings smoothly.
  - Ensure your eye is aligned with the scope before making adjustments.
2. **Maintaining Control:**
  - Adjust the lever slowly and steadily to maintain control over the magnification setting.
  - Avoid abrupt movements that may lead to misalignment or accidents.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's website or contact the designated support team. Ensure you have the product details available when seeking assistance.

By following these guidelines, you can help ensure a safe and enjoyable experience with your Nightforce Optics Power Throw Lever. Thank you for your attention to these important safety instructions.
