

# **NX8 1-8X24MM FFP RIFLE SCOPE - NX8 1-8X24MM FFP ILLUMINATED FC-MOA RETICLE BLACK**

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

## **Offers Owners a Leading Rifle Optic**

The NX8 1-8X24 F1 is a class leading, compact and lightweight riflescope optimized for short to mid-range shooting. At only 8.75" in length and 17 ounces, this riflescope adds minimal size and weight but delivers superior optics and trusted Nightforce performance to any rifle. With the daylight visible center red dot users can engage targets with speed like a red-dot sight, but as targets increase in distance the intelligent first focal plane reticle provides precise hold points. For those preferring to dial for long shots, the ZeroStop elevation adjustment allows for a rapid and positive return to zero. To aid in fast magnification adjustments, a built-in Power Throw Lever (PTL) is included. First Focal Plane Reticle Weighs 17 ounces Built on a 30mm tube 0.2 MRAD or 0.50 MOA adjustments 100 MOA/30 MRAD of total internal adjustment

## **Attributes**

# NX8 18X24MM FFP RIFLE SCOPE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the NX8 18X24MM FFP Rifle Scope. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your riflescope. It is crucial to follow these instructions to avoid hazards and enhance your shooting experience.

## General Safety Guidelines

- Always handle the riflescope with care and keep it pointed in a safe direction.
- Ensure you are familiar with the operation of the riflescope before use.
- Inspect the riflescope regularly for any signs of damage or wear.
- Store the riflescope in a safe and secure location when not in use.
- Keep the riflescope out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearms and shooting activities.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection while using the riflescope to prevent injury from recoil or debris.
- **Mounting:** Ensure the riflescope is securely mounted to your firearm to prevent accidental detachment during use.
- **Zeroing:** Take time to properly zero your riflescope before engaging in shooting activities to ensure accuracy.
- **Illumination:** Be aware that the illuminated reticle can be bright; adjust the brightness setting to avoid distractions.
- **Weather Conditions:** Avoid using the riflescope in extreme weather conditions that could impair visibility or functionality.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded before installation.
- Use the appropriate mounting rings for a 30mm tube.
- Securely attach the riflescope to the firearm, ensuring it is level and aligned.
- Tighten the mounting screws to the manufacturer's specifications.

### 2. Usage:

- Adjust the magnification using the Power Throw Lever (PTL) for quick changes.
- Use the ZeroStop elevation adjustment for reliable returns to zero after adjustments.
- Engage targets using the daylightvisible center red dot for rapid acquisition.
- For longrange shooting, utilize the first focal plane reticle for precise hold points.

## Disposal Instructions

- Dispose of the riflescope in accordance with local regulations.
- Do not dispose of the riflescope in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries or support related to the NX8 18X24MM FFP Rifle Scope, please refer to the manufacturer's contact information provided with your product documentation.

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your NX8 18X24MM FFP Rifle Scope. Always prioritize safety and responsible usage.
