

# EYEPiece FLIP-UP CAP FOR ATACR 25X F2, ATACR 35X F1 - EYEPiece CAP ATACR 25X F2, ATACR 35X F1

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

Nightforce Optics Flip-Up Objective Lens Caps are manufactured to exacting specifications by Tenabraex and are built to withstand the harsh punishment exacted through heavy use in the field. The caps attach to the objective lens of the riflescope through the use of an adapter, which threads in and provides a locking point for the caps. The lens covers open with a simple push of the finger and can be locked into place with rearward pressure. The caps are designed for ATACR 25x second focal plane models and ATACR 35x first focal plane models.

## Attributes

- Name: [EYEPiece CAP ATACR 25X F2, ATACR 35X F1](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 524000511

# EYEPiece FLIPUP CAP FOR ATACR 25X F2, ATACR 35X F1 Safety Instruction Guide

## Introduction

Thank you for choosing the EYEPiece FLIPUP CAP FOR ATACR 25X F2 and ATACR 35X F1. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before using the caps.

## General Safety Guidelines

- Ensure the product is compatible with your specific model of the ATACR riflescope.
- Always inspect the flipup caps for damage or wear before each use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Do not use the product if it appears damaged or malfunctioning.
- Follow all local regulations regarding the use and storage of optical equipment.

## Specific Safety Precautions for Use

- When opening or closing the flipup caps, use gentle pressure to avoid damaging the mechanism.
- Avoid using excessive force when installing or removing the caps from the objective lens.
- Do not expose the caps to extreme temperatures or harsh chemicals, as this may compromise their integrity.
- Ensure that the caps are fully locked in place during use to prevent accidental opening.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the objective lens of your ATACR riflescope is clean and free of debris.
- Use the provided adapter to thread into the objective lens.
- Once the adapter is securely in place, attach the flipup caps by aligning them with the adapter and pressing firmly until they click into place.

### 2. Usage:

- To open the caps, gently push on the front edge with your finger.
- To lock the caps in the open position, apply rearward pressure until you hear a click.
- To close the caps, simply push them back down until they are fully seated over the lens.

### 3. Maintenance:

- Regularly clean the caps with a soft, lintfree cloth to remove dust and smudges.
- Inspect the caps periodically for signs of wear or damage and replace if necessary.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and plastic materials.
- Do not dispose of the caps in household waste. Instead, check with your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the EYEPIECE FLIPUP CAP, please refer to the manufacturer's website or customer support resources available in your region. It is important to have access to assistance for any safety inquiries or product issues.

## **Conclusion**

By following these safety instructions, you can ensure the safe use of the EYEPIECE FLIPUP CAP FOR ATACR 25X F2 and ATACR 35X F1. Always prioritize safety and proper handling to maximize the performance and longevity of your product. Thank you for your attention to these guidelines.
