

WEDGE PRISM - 50 MOA/14.5 MRAD WEDGE PRISM BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

When shooting at extreme ranges, many shooters find their riflescope lacks the necessary elevation travel. The Nightforce Wedge Prism is offered in 2 variants, 50 MOA or 100 MOA, that install forward of the riflescope to increase the effective elevation travel. The Wedge Prism optically shifts the incoming image to the riflescope by a precise elevation value, which directly adds to the available elevation travel within the riflescope. Key Features: 50 MOA/14.5 MRAD* or 100 MOA/29.1 MRAD elevation shift variants available for extreme long-range use Quick Detach MIL-STD 1913 attachment ensures consistent elevation shift when installed in the field Compatible with all brands of riflescopes Exact elevation shift measured for each unit and engraved for reference in the field Includes: MOLLE padded carry case, flip cap lens cover, lens cleaning cloth.

WEDGE PRISM 50 MOA/14.5 MRAD Safety Instruction Guide

Introduction

Thank you for choosing the WEDGE PRISM 50 MOA/14.5 MRAD. This product is designed to enhance your shooting experience by providing additional elevation travel for your riflescope. It is crucial that you read and understand the safety instructions outlined in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** Always ensure that the Wedge Prism is used in accordance with the manufacturer's instructions to minimize risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any product recalls or safety notices. The manufacturer will provide standardized recall notices if necessary.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Check the EU's Safety Gate platform regularly for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Installation:** Ensure the Wedge Prism is installed correctly to avoid misalignment that could lead to accidents.
- **Handling:** Handle the Wedge Prism with care. Avoid dropping or applying excessive force, as this may damage the product.
- **Compatibility:** Confirm that the Wedge Prism is compatible with your riflescope before installation.
- **Environmental Conditions:** Do not use the product in extreme weather conditions that may impair visibility or functionality.
- **Regular Inspection:** Periodically inspect the Wedge Prism for any signs of wear or damage. Replace if necessary.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your riflescope is securely mounted on your firearm.
- Gather all necessary tools for installation, including a wrench or screwdriver if needed.

2. Installation:

- Locate the MILSTD 1913 rail on your riflescope or firearm.
- Align the Wedge Prism with the rail and slide it into position.
- Secure the Wedge Prism using the quick detach mechanism, ensuring it is firmly attached.

3. Adjustment:

- Confirm that the elevation shift is correctly set according to your shooting requirements (50 MOA/14.5 MRAD or 100 MOA/29.1 MRAD).
- Test the elevation adjustment by looking through the riflescope and ensuring the image is clear.

and properly aligned.

4. Usage:

- When using the Wedge Prism, always maintain a stable shooting position.
- Make adjustments to your riflescope as necessary, based on the elevation shift provided by the Wedge Prism.

5. PostUse Care:

- After use, clean the Wedge Prism and your riflescope with a lens cleaning cloth to remove dirt and debris.
- Store the Wedge Prism in the provided MOLLE padded carry case to protect it from damage.

Disposal Instructions

- Dispose of the Wedge Prism and its components in accordance with local regulations regarding electronic waste.
- Do not dispose of the product in regular household waste. Instead, take it to a designated recycling facility if available.

Contact Information for Further Support

For any questions or concerns regarding the Wedge Prism, please refer to the customer support contact information provided by your retailer or the manufacturer. Ensure that you have your purchase details at hand for assistance.

By following these safety instructions, you can maximize the performance of your WEDGE PRISM 50 MOA/14.5 MRAD while ensuring your safety and the safety of others. Thank you for your attention to these important guidelines.
