

NX8 2.5-20X50MM F2 RIFLE SCOPES - NX8 2.5-20X50MM SFP ILLUMINATED MOAR-CF2 RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Rugged Riflescope Designed for Field Use

Even though it's smaller in size than many of today's high-power, long-range optics, the Nightforce NX8 is more than capable of providing premium performance downrange, thanks to its incredibly clear glass and the inclusion of the company's purpose-built F2 reticles. Available with either an MOAR-CF2 or a MIL-CF3 reticle, these sighting systems provide an open center and an intuitive system of subtensions for rapid adjustments. Each Nightforce NX8 2.5-20x50mm Riflescope is built with the company's extreme dispersion optical system, which provides enhanced clarity and quality in a scope tube that's shorter than many others on the market. The optic is equipped with a second focal plane reticle, which means that the reticle remains consistent in size throughout the magnification range. Other features included on the Nightforce NX8 2.5-20x50mm Riflescope are the company's ZeroStop turret, enhanced power-throw lever and the DigIllum reticle illumination system. Both optics are built on 30mm tubes for increased durability and adjustment range.

Attributes

- Name: [NX8 2.5-20X50MM SFP ILLUMINATED MOAR-CF2 RETICLE BLACK](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 524000535
- Mfr. No.: C639
- Battery: CR-2032
- Click Value: 1/4 MOA
- Click Value: 1/4 MOA
- Eye Relief: 3.50"
- Finish: Black
- Focal Plane: Second
- Illumination: Yes
- Length: 12.1"
- Max Magnification: 20x
- Min. Magnification: 2.5x
- Model Number: NX8
- Objective Size: 50mm
- Reticle: MOAR-CF2
- Tube Size: 30mm
- Weight: 28.6 oz
- Delivery weight: 1.356kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 432mm
- UPC: 847362018102

Item details

This product contains a battery.

US export classification: 0A504.a

NX8 2.520X50MM F2 RIFLE SCOPES Safety Instruction Guide

Introduction

Thank you for choosing the Nightforce NX8 2.520X50MM F2 Rifle Scope. This guide provides essential safety instructions to ensure the proper use and maintenance of your product. Please read this document thoroughly before using the scope to ensure safe and effective operation.

General Safety Guidelines

- Product Safety:
 - Always handle the scope carefully to avoid damage.
 - Ensure the scope is used in accordance with the manufacturer's guidelines.
- Enhanced Recalls:
 - Stay informed about product recalls. Check the EU's Safety Gate platform regularly for updates.
- Online Shopping:
 - When purchasing online, ensure that the retailer complies with safety standards.
- Special Consumer Focus:
 - Keep the scope out of reach of children to prevent accidents or misuse.
- EU Contact Point:
 - For any safety inquiries, please refer to the designated EU contact point provided by the retailer.
- Rapid Alerts:
 - Stay updated on any safety alerts regarding this product through the Safety Gate system.

Specific Safety Precautions for Use

- Always ensure that the scope is securely mounted on the firearm before use.
- Do not point the scope at any person or animal, even when not in use.
- Ensure that you are aware of your surroundings and identify your target clearly before firing.
- Use the scope only for its intended purpose—aiming and shooting at targets.
- Regularly inspect the scope for any signs of damage or wear and replace it if necessary.
- Avoid exposing the scope to extreme temperatures, moisture, or direct sunlight for prolonged periods.
- Do not attempt to disassemble or modify the scope. Any unauthorized modifications may void the warranty and pose safety risks.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before mounting the scope.
- Use a compatible mounting system designed for 30mm scope tubes.

- Align the scope properly with the firearm's barrel and secure it using the mounting rings.
- Check that the scope is level and adjust as necessary.

2. Usage:

- Adjust the magnification as needed using the powerthrow lever.
- Use the ZeroStop turret to set your zero point for quick adjustments during shooting.
- Familiarize yourself with the MOARCF2 reticle for effective targeting.
- Adjust the illumination using the DigIllum system for optimal visibility in varying light conditions.
- Maintain a proper eye relief of 3.50 inches to avoid injury from recoil.

3. Maintenance:

- Clean the lenses with a soft, lintfree cloth to avoid scratches.
- Store the scope in a dry, cool place when not in use to prolong its lifespan.

Disposal Instructions

- Dispose of the scope in accordance with local regulations regarding electronic waste.
- Do not dispose of the scope in regular household waste.
- Remove the battery (CR2032) before disposal and follow local guidelines for battery recycling.

Contact Information for Further Support

For any questions or concerns regarding the Nightforce NX8 2.520X50MM F2 Rifle Scope, please refer to the retailer from whom you purchased the product for assistance and support.

Thank you for your attention to these safety instructions. Enjoy the precision and performance of your Nightforce NX8 Rifle Scope responsibly.
